

Children and Young People Overview and Scrutiny Committee

22nd January 2014

Organisational Health – Quarter 3 2013/14

Recommendation

That the Children and Young People Overview and Scrutiny Committee:

- 1) Considers the report and performance of those services which fall within its remit; and
- 2) Considers whether any issues require further scrutiny and/or make recommendations if considered appropriate.

1.0 Introduction

- 1.1 The most recent Organisational Health Report (Quarter 3, 2013/14) will be considered and approved by Cabinet on 28th January 2014; therefore, the report and appendices are currently being drafted and will be made available to the Overview and Scrutiny Committee separate to this agenda (the report and appendices will be circulated electronically to members on 20th January 2014). Officers are aware that this is close to the meeting of the Committee; however the documents will not be available before that time due to reporting deadlines for the Cabinet meeting.
- 1.2 Upon receipt of the report and appendices, please note that only those appendices that are relevant to the remit of this Committee will be provided, as follows:
 - Safeguarding (Appendix A)
 - Strategic Commissioning (Appendix D)
 - Early Intervention (Appendix E)
 - Learning and Achievement (Appendix F)
 - Performance Summary (Appendix T – Ambitions 2, 3 and 6)
 - Going for Growth (Appendix U)
- 1.3 The Committee is asked to consider the performance, risk and finance of those services and whether there is a need for any further scrutiny or recommendations.
