Coventry and Rugby Clinical Commissioning Group – Draft Commissioning Intentions 2015/16

Recommendation

1. Members of the Health and Wellbeing Board are asked to note and comment on the attached draft commissioning intentions document.

1.0 Key Issues

1.1 The draft commissioning intentions for 2015/16 build on the CCG's Transformational Programmes and include the work which has been undertaken during the last year to develop the Better Care Fund work programme.

1.2 The principles of our approach to transformation are:

- Care closer to home
- Specialist care in the right place, at the right time
- Enable patients to live the lives they choose
- Clinicians from across health and social care working together
- Use of innovative practice and technology to deliver care
- Care delivered within a financially sustainable system
- Mental disorders are treated on a par with physical disorders

1.3 The Transformational Programmes within both the CCG's 2 year Operational Plan and the 5 year Strategic Plan are

- Dementia Care
- Diabetes Management
- 24/7 Urgent Care
- End of Life Care
- Stroke Care
- Children, Young People and Maternity Services
- Elective Care
