2. Stratford Park and Ride

Councillor Alan Cockburn, Lead Cabinet Portfolio Holder for Environment and Economy, considered a report from the Strategic Director of Environment and Economy proposing increase in charges for use of the Stratford Park and Ride. This followed agreement by Council of a reduction in the level of revenue support for Stratford Park and Ride by £60,000 between 2011-12 to 2013-14. One of the potential measures that has been identified to achieve the required savings is to increase the adult return fare from £1.50 to £1.70 in 2011-12. Councillor Cockburn stated that he had noted the responses he had received from councillors to the proposals but considered the increase would not have a significant detrimental impact on parking in Stratford.

Resolved
