## Agenda No

### Nuneaton & Bedworth Area Committee - 31 January 2007.

#### Consultation on Local Area Scrutiny

#### Report of the Strategic Director of Performance and Development

##### Recommendation

That the Area Committee identifies any issue(s) that may be appropriate for a local area scrutiny exercise

### 1. Introduction

Council on the 31 October 2006 resolved

That the basis for the localities to be used for community meetings should be explored further but, at the very least, one local scrutiny exercise will be undertaken in each of the five area committee areas by 30 June 2007.

The Overview and Scrutiny Coordinating Group is considering the potential process for selecting topics for local scrutiny at its meeting on 17 January 2007. In order to get the process moving Area Committees are being consulted during the January cycle on whether or not there are any particular 'hot' topics which in their view would be suitable for a local scrutiny exercise.

Local scrutiny offers opportunities for joint scrutiny exercises with key partners and therefore the views of the Overview and Scrutiny Coordinating Group on the level of consultation with key partners is also being considered at its January meeting. When putting forward topics members of the Area Committee might wish to consider whether there are any particular issues which would benefit from a local joint scrutiny exercise.

The topics suggested will be reported back to the Overview and Scrutiny Coordinating Group meeting on 7 March 2007.

## **2. What criteria should be used to select topics?**

The Overview and Scrutiny Coordinating Group is considering the basis for selecting topics at its meeting on 17 January 2007. It is suggested that the following is an appropriate basis for selection.

- Does this issue have a potential impact for significant section(s) of the population?
- Is it a matter of general public concern?
- Is the issue to be reviewed a key deliverable of a strategic and/or partnership plan?
- Is it a key performance area where the Council needs to improve?
- Is there a legislative requirement to undertake the review?

Secondly to ensure the exercise adds value/makes a difference members will need to consider whether it is practicable to undertake the review by asking the following questions-

- Are there adequate resources available to do the activity well?
- Is the overview and scrutiny activity timely?
- Is there a clear objective for scrutinising this topic?
- Is there evidence to support the need for overview and scrutiny?
- What are the likely benefits to the council and its customers?
- Are we likely to achieve a desired outcome?
- What are the potential risks?
