

Decision Record – S278 Highway Improvement Scheme at D7050 Common Lane, Kenilworth

Cabinet Portfolio Holder taking the decision	Cllr Peter Butlin Deputy Leader - Finance & Property
Date of Decision	19 DECEMBER 2017

Decision Taken

The Portfolio Holder – Deputy Leader (Finance and Property) gives approval to:

- 1) increase the capital programme provision for the S278 highway improvement scheme at D7050 Common Lane, Kenilworth, to £2.4m;
- 2) the award of the contract for the S278 highway improvement scheme at D7050 Common Lane, Kenilworth, to the supplier who has submitted the most economically advantageous price subject to the applicable bond having been put in place by the Developer to secure their obligations.

Reasons for Decisions

Warwickshire County Council's Contract Standing Orders (September 2013) Section 2.3 states that authority to award a major contract between £1.0m and £3.0m requires a report back to the relevant Portfolio Holder where the bids exceed the original estimate by 10% or more.

Background Information

On 17 March 2017 the Portfolio for Finance and Property gave approval to include the (Highways Act 1980) Section 278 highway improvement scheme at D7050 Common Lane, Kenilworth, to the 2017/2018 capital programme. The estimated cost, including works and fees, was £575k. The capital programme allocation was varied to £1.3m in June 2017 through the quarterly capital monitoring process to reflect the inclusion of structural works alongside the highway works.

The S278 works are required as part of the planning consent given by Warwick District Council for development on land known as Crackley Triangle (ref: W/14/1340). The works comprise the implementation of a traffic signal controlled junction on Common Lane and the construction of a retaining wall along the access road. The Developer (Bloor Homes) will be providing 100% of the funding for the scheme via the (Highways Act 1980) Section 278 Agreement which was signed on 31 August 2017. A bond to secure the obligations of the Developer in respect of the S278 agreement is required to be put in place before the construction contract can be awarded.

The procurement of the works is through a Package Order Call Off Contract (POCOC) under Warwickshire County Council's Provision of Construction Works Framework Contract. The Framework Contract was established in April 2014 following an EU procurement process. The Framework contract comprises five Framework Lots (identified by financial value and / or nature of work). Successful applicants were awarded a place as a supplier within a Framework Lot following evaluation of Lot-specific ITT questionnaire responses provided by each of the tendering applicants. A Lot-specific POCOC for a particular Work Package is awarded following further competition between suppliers for the Lot to which the Work Package relates. Further competition is on the basis of price alone.

All of the seven named suppliers in the appropriate lot of the Framework were invited to submit quotations for these works on 15 August 2017, with an extended tender return date of 23 November 2017. Two suppliers returned quotations, the lowest of which exceeds the £1.3m estimate.

Warwickshire County Council's Contract Standing Orders (September 2013) Section 2.3 states that authority to award a major contract between £1.0m and £3.0m requires a report back to the relevant Portfolio Holder where the bids exceed the original estimate by 10% or more.

Approval was requested to increase the capital programme provision to £2.4m to cover the cost of the works and fees, and an allowance for contingencies. There was no financial risk to Warwickshire County Council as S278 schemes are fully funded by the Developer's contribution which is ring-fenced for the works specified. For Developer funded schemes, there are no alternative uses for the contribution and it does not affect the overall level of available capital resources.

Approval was requested to award the contract to the supplier who has provided the most economically advantageous price following assessment of the tenders.

Financial Implications

None direct to the Council
