

Proposed Decision to be taken by the Deputy Leader (Finance and Property) on or after 15 February 2019

Addition of one Road Safety Scheme to the 2019/2020 Capital Programme

Recommendation

The Deputy Leader (Finance and Property) gives approval to add the following Road Safety scheme to the 2019/2020 capital programme.

- Barford Junction safety and capacity improvement works

1.0 Benefits of Scheme delivered

- 1.1 On 23 May 2017 Council reconfirmed the delegated power to the Leader, or body nominated by them, to approve the addition to the capital programme of projects costing less than £2.0 million, which are fully funded from external grants, developer contributions or from revenue. The Deputy Leader (Finance and Property) is that nominated body.
- 1.2 This scheme will be fully funded by developer contributions ring-fenced for the works specified. For developer funded schemes there are no alternative uses for the contributions and the addition of these schemes will not affect the overall level of available capital resources.

2.0 Bremridge Close Barford

- 2.1 A planning application was submitted to Warwick District Council by Taylor Wimpey for the erection of up to 63 dwellings on land off Bremridge Close, Barford. Planning permission was granted on 20 June 2017 (ref: W17/0440) and the site is now being developed by Taylor Wimpey. The planning permission requires the Developer to provide junction improvements within the village of Barford under a Section 106 agreement. The sum of money from this agreement is £228,000.00.
- 2.2 Subject to the recommendation being agreed and the funding being received, the County Council will undertake a Road Safety Scheme in-line with the Section 106 agreement using the S106 Highway contribution received from the developer. This report seeks approval only for the allocation of resources for the proposed scheme and does not give or imply any other approval or decision which may be required under highways, planning, road traffic or other legislation.
