

Proposed Decision to be taken by the Portfolio Holder for Education and Learning on or after 23 October 2015

Warwickshire County Council – School Admission Arrangements - 2017/18

Recommendation

That the Portfolio Holder considers the proposed arrangements for School Admissions in 2017/18 and approves consultation on these proposals (as set out in Appendix A, B and C of the report).

1.0 Key Issues

- 1.1** All local authorities are required to have in place a scheme for coordinating admission arrangements for maintained schools and academies within their area.
- 1.2** Coordinated schemes are intended to simplify the admission process for parents whilst reducing the likelihood of any child being left without a school place. Coordination establishes a mechanism that ensures as far as is reasonably practicable, every parent of a child who has applied for a place at a maintained school or academy is sent a single offer of a school place by the local authority in which their home address falls (their home authority).
- 1.3** Under the scheme of coordinated admissions, parents apply directly to their home authority and make a single application for a school place. Local authorities and other admission authorities such as the governing bodies of academies or church aided schools then exchange data. This is to determine which children can be offered a place at which school. Parents then receive a single offer of a school place from their home local authority.
- 1.4** As well as being responsible for the system of coordinated admissions, Warwickshire County Council is the admission authority for all Community and Voluntary Controlled schools within the County. Admission authorities must set ('determine') admission arrangements annually.
- 1.5** Any changes to admission arrangements must be consulted on. For entry to schools in 2017/18 consultation must be for a minimum of six weeks and must take place between 01 October and 31 January of the school year before the arrangements apply. If no changes are made to admission arrangements they must be consulted on at least once every seven years.

1.6 For entry to schools in 2017/18 Warwickshire County Council is carrying out a single consultation into its coordinated admissions scheme, as well as the admission arrangements for the schools where Warwickshire County Council is the admission authority.

2.0 Options and Proposal

Coordinated Scheme

2.1 The Local Authority's co-ordinated schemes for primary, secondary and in-year admissions in 2017/18 are set out at Appendix A.

2.2 These documents are in a different format to previous years and also include a number of changes. The key changes are as follows.

2.3 Late applications / Re-allocation dates. Under Warwickshire's current arrangements, parents applying after the statutory closing date, but prior to a pre-determined date in January (applications for secondary school places) and February (applications for places in Reception) still receive an offer of a place on national offer day. Under the proposed scheme, late applicants, including those applying after national offer day, will instead receive offers on one of a fixed number of re-allocation dates. This change is intended to make the re-allocation process easier for parents to understand and to make it easier to identify areas where extra capacity in schools may be needed.

2.4 Auto-acceptance of offers. Under Warwickshire's current arrangements, parents are required to formally accept the school place their child is offered. Under the proposed scheme, it will instead only be necessary for parents to contact School Admissions if they wish to decline the place offered. This change is intended to make the process easier for parents and will allow the School Admissions team to focus staffing resources on the re-allocation process.

2.5 Applications from overseas residents. The School Admissions Code sets out the arrangements admission authorities must make for families of service personnel with a confirmed posting to their area, or crown servants returning from overseas. This is clearly set out in the proposed scheme as is the approach Warwickshire Admissions Service will take when dealing with applications from overseas. This change is intended to add greater clarity to the process.

2.6 Applying for a place in Year 3 at a primary school. A number of Warwickshire primary schools offer extra places starting in Year 3. This is normally because the schools have the physical capacity to do so, but are unable to offer the places in Reception, Year 1 or Year 2, as Infant Class Size legislation prevents more than 30 children in such a class per qualified teacher. Under Warwickshire's current arrangements, parents can apply for such places as part of the normal 'transfer' process, along with all other parents applying for Year 3 places at Junior schools. However, as Year 3 is not the normal point of

entry for primary schools, it is instead proposed that such applications are dealt with under the Council's in-year admissions scheme. This change is designed to clarify the process for parents and schools alike and is based on legal advice received.

2.7 In-year admissions. It is proposed that the administration of in-year admissions for 2017/18 remain with the Local Authority. While it is no longer a legal requirement for Local Authorities to process such applications, retaining this function provides numerous benefits, especially around the tracking of vulnerable children and the operation of the In-Year Fair Access Protocol (IYFAP). The majority of 'own admission authority schools', such as academies, have indicated they are happy for the Local Authority to continue to carry out this function. No extra resources are required to do this.

2.8 In-year admissions. In order to ensure that in-year applications are processed as quickly as possible, one key change is proposed. Under Warwickshire's current arrangements, own admission authority schools are given seven days to indicate if they are able to offer a child a place. Under the proposed arrangements, schools are expected to indicate within two days if they are able to offer a place. This change is to ensure that children are allocated a school place as quickly as possible.

Admission Arrangements

2.9 The admissions arrangements for the primary and secondary schools where Warwickshire county Council is the admission authority are set out at Appendix B.

2.10 The oversubscription criteria to be used when there are more applications than places available are unchanged from 2016/17.

2.11 Included within the admission arrangements for primary schools is a revised process for parents of Summer Born Children who would like to defer their child's entry to Reception to the academic year following their fifth birthday. This is in response to guidance issued by the Department for Education and an increase in such requests.

2.12 As part of their admission arrangements all schools are required to have a Published Admission Number (PAN). This is the maximum number of places offered at the normal point of entry. Appendix C shows all Warwickshire Schools and their Published Admission Number, along with any changes for 2017/18. This list includes schools where Warwickshire County Council is not the admission authority. Please note that these figures are subject to change. This is due to own admission authority schools carrying out their own consultations and ongoing discussions between the local authority and schools.

3.0 Timescales associated with the decision and next steps

- 3.1** If the Portfolio Holder is happy with the proposed admission arrangements then a consultation exercise would begin on 09 November 2015. The consultation period would then end at midnight on 22 December 2015.
- 3.2** The consultation would include the following parties as required by the School Admissions Code:
- Coordinated Scheme:
- a) Each governing body who are the admission authority for a school in the local authority's area; and
 - b) Any other local authority as the authority thinks appropriate.
- Admission Arrangements:
- a) parents of children between the ages of two and eighteen;
 - b) other persons in the relevant area who in the opinion of the admission authority have an interest in the proposed admissions;
 - c) all other admission authorities within the relevant area (except that primary schools need not consult secondary schools);
 - d) whichever of the governing body and the local authority who are not the admission authority;
 - e) any adjoining neighbouring local authorities where the admission authority is the local authority; and
 - f) in the case of schools designated with a religious character, the body or person representing the religion or religious denomination.
- 3.3** Following consultation the coordinated scheme would then be published by 01 January 2016 as is required by the School Admissions Code.
- 3.4** Warwickshire County Council's Cabinet would then consider the proposed admission arrangements and coordinated scheme, along with any comments received, at their meeting due to be held on 26 January 2016. The admission arrangements would then be determined and the coordinated scheme adopted in advance of the required deadline of 28 February 2016.

Warwickshire County Council
Primary and Junior Coordinated Admissions Scheme

Section 1 – Timetable for primary and junior coordinated Admissions for September 2017 (including children transferring from Infant to Junior school)

DATE	EVENT
June 2016	Warwickshire's Admissions Service to obtain NHS data relating to children eligible to start Primary school in September 2017.
Monday 01 August 2016	Application process open.
September 2016	Reception packs posted directly to parents with children eligible to start Primary school in September 2017 (based on NHS data). Copies of publicity materials sent to schools, nurseries, children's centres and libraries.
September 2016	School census information received relating to children due to move from an Infant school in September 2017.
September 2016	Junior packs posted directly to parents with children due to move from an Infant school in September 2017 (based on census data). Copies of publicity materials sent to schools.
Thursday 01 December 2016	Deadline for parents to request that their child enter Reception in the term following their fifth birthday, rather than the term following their fourth birthday.
Monday 12 December 2016	Reminder letters sent to parents who have not applied for a Reception or Junior place (based on NHS and School Census data respectively). Reminder emails to schools encouraging them to remind parents of the need to apply.
Monday 16 January 2017	Closing date for applications (5pm). Applications received after this date will be considered as late and will not be processed until additional allocation rounds (unless the family is moving into the area – see below for more details).
End of January 2017 – Exact Date TBC	First exchange of data with neighbouring authorities.
Wednesday 01 February 2017	Applications sent to own admission authority schools so that oversubscription criteria can be added (except where WCC has been commissioned to carry out this task). Application data available via SAM (the School Admissions Module) to voluntary aided, trust, foundation schools and academies purchasing Warwickshire's Admissions Service. Data to include straight-line measurements. Sent via Excel spreadsheet to oversubscribed academies not purchasing Warwickshire's Admissions Service (no straight-line measurements included).

Appendix A

Wednesday 01 February 2017	Sibling Checklists available to all schools via SAM other than academies not purchasing Warwickshire's Admissions Service where data will be sent via Excel spreadsheet.
Monday 13 February 2017	Own admission authority schools to return ranked lists to WCC by 5.00pm. To be returned via SAM or Excel if the school has not purchased Warwickshire's Admissions Service.
Wednesday 15 February 2017	Special Educational Needs Disability and Review Team (SENDaR) must have informed Warwickshire's Admissions Service re. pupils with Education Health and Care Plans. (Statutory)
Tuesday 28 February 2017	Final date for families moving into the area to have provided proof of address in order for application to be considered as on-time.
Monday 06 March 2017 onwards	Provisional offers shared between local authorities.
Monday 20 March 2017	Provisional offers available to all schools via SAM other than academies not purchasing Warwickshire's Admissions Service where offers will be sent via Excel spreadsheet. Schools to notify Warwickshire's Admissions Service of any issues by 24 March 2017. Offer data to remain confidential.
Friday 24 March 2017	Schools to have notified Warwickshire's Admissions Service of any issues with provisional offers.
Friday 14 April 2017	Offer letters posted second class.
Monday 17 April 2017	National Offer Day. Offers made to parents by Warwickshire's Admissions Service (Statutory). Information on late applicants sent to all schools via SAM other than academies not purchasing Warwickshire's Admissions Service where data will be sent via Excel spreadsheet.
Wednesday 03 May 2017	Cut-off date for consideration in first reallocation round.
Monday 08 May 2017	First reallocation round commences.
Monday 22 May 2017	Deadline for on-time applicants to submit appeal forms (by 5.00pm).
Monday 22 May 2017 onwards	In-Year applications for places starting in September 2017 can be submitted (including Year 3 places at primary schools).
Wednesday 24 May 2017	Cut-off date for consideration in second reallocation round.
Tuesday 30 May 2017	Second reallocation round commences.
Monday 12 June 2017 onwards	In-year places for September 2017 offered.
Wednesday 14 June 2017	Cut-off date for consideration in third reallocation round.
Monday 19 June 2017	Third reallocation round commences. All applications received from this point onwards will be processed as and when they are received, up until 01 September when in-year coordination commences.

Appendix A

Monday 03 July 2017	Places allocated to Warwickshire children eligible to start Reception in September 2017 or due to transfer from an Infant school where an application has not been made. Letters sent to parents to advise of the places offered.
Friday 21 July 2017	Appeals lodged before 22 May 2017 will be heard by this date.
Friday 01 September 2017	In-year coordination commences. Waiting lists held until 31 December for oversubscribed Community and Voluntary Controlled schools.

Section 2 - Primary coordinated admissions for September 2017 (including children transferring from Infant to Junior school)

Coordinated Admissions

All local authorities are required to have in place a scheme for coordinating admission arrangements for maintained schools and academies within their area.

Coordinated schemes are intended to simplify the admission process for parents whilst reducing the likelihood of any child being left without a school place. Coordination establishes a mechanism that ensures as far as is reasonably practicable, every parent of a child who has applied for a place at a maintained school or academy is sent a single offer of a school place by the local authority in which their home address falls (their home authority).

The term 'parent' in this document includes both individual parents and those with parental responsibility – for example carers.

Under the scheme of coordinated admissions parents apply directly to their home authority and make a single application for a school place. Local authorities and other admission authorities such as the governing bodies of academies or church aided schools then exchange data. This is to determine which children can be offered a place at which school. Parents then receive a single offer of a school place from their home local authority.

Only parents who are resident in the county of Warwickshire or who are able to satisfy the relevant address requirements should apply through Warwickshire's Admissions Service.

Warwickshire residents must apply through Warwickshire's Admissions Service for their application to be considered as on-time. Where parents approach schools directly they must be directed to Warwickshire's Admissions Service. Any Warwickshire resident who does not make an application through Warwickshire's Admissions Service will be considered to have submitted a late application, even if they applied directly to a school.

Warwickshire will manage allocations in line with the coordinated admissions scheme. Application data relating to schools in other local authorities will be forwarded via S2S. This system is part of the DfE's Secure Access website and is designed to transfer data between local authorities and schools securely.

Admission Arrangements

All schools are required to have a set of admission arrangements that clearly set out how children will be admitted. These arrangements need to include the criteria that will be applied if there are more applications than places at the school. (Oversubscription criteria) Admission arrangements are determined by admission authorities in line with the School Admissions Code.

In community controlled schools the local authority is the admission authority and has responsibility for determining admission arrangements. In academies, church aided, trust, foundation and other 'own admission authority' schools, the governing body has

Appendix A

responsibility for determining admission arrangements. In Multi-Academy-Trusts the Trust has responsibility for determining admission arrangements.

A school's admission arrangements must contain:

- The school's Published Admission Number (PAN) for each 'relevant age group'. This is the number of places that will normally be offered to children joining the school at the normal point of entry (for Infant and Primary schools this is Reception, for Junior schools the normal point of entry is Year 3).
- The school's oversubscription criteria. These are used to decide which children are offered places when there are more applications than places available. Each child is placed within a criterion. Places are offered in criteria order to reach a school's PAN.
- Definition of sibling. Admission authorities must state in their arrangements what they mean by sibling (eg does it include step-sibling, older and younger siblings). Where priority is given to siblings of former pupils, admission authorities must set out a clear and simple definition of such former pupils. Some schools give priority to siblings of pupils attending another state funded school. Where this is the case, this priority must be clearly set out in the arrangements.
- Distance from school. Admission authorities must clearly set out how distance from home to school will be measured, and make it clear how 'home address' will be determined and the point in the school from which all distances are measured. This should include provision for parents who have shared responsibility for a child.

The School Admissions Code also requires that:

- All children whose Statement of Special Educational Needs (SEN) or Education, Health and Care (EHC) plan names a school must be admitted.
- The highest priority in a school's oversubscription criteria must also be given, unless otherwise allowed in the Admissions Code, to looked after children and all previously looked after children. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order¹⁸ or special guardianship order).
- If a school is not oversubscribed, all applicants must be offered a place (with the exception of designated grammar schools).

The admission arrangements of any school must be such as to enable relevant decisions to be made in line with the timetable of this scheme.

Information for parents

In June of each year Warwickshire's Admissions Service receives data from the NHS relating to children due to start Primary school the following year. In September of each year Warwickshire's Admissions Service receives data from Infant schools relating to children due to transfer to a Junior or Primary school the following year. This data is then used to distribute information on the admissions process to parents.

In September of each year booklets explaining the school application process will be sent to the parents of children resident in Warwickshire who are:

- due to start school the following September.

Appendix A

- due to transfer from an infant to a Junior school the following September.

Copies of the booklet will also be sent to schools, nurseries and libraries. Schools should then take steps to inform parents of the need to apply for a place and of the necessary deadlines. Full details of the process will also be available on the Warwickshire County Council website.

Also available on the Warwickshire County Council website will be the local authority's Composite Prospectus. This is an expanded version of the booklet sent to parents and will contain the full admission arrangements of each school in Warwickshire. Copies of this are available on request.

Applying for a school place

Parents apply for school place using a Common Application Form (CAF). Parents are encouraged to apply for a school place using Warwickshire's online application system. This allows parents to complete an electronic version of the CAF. The advantages of the online system are as follows:

- The process is relatively quick and easy.
- Applicants receive an acknowledgment email confirming that their application has been submitted.
- Parents applying online receive their offer of a school place from 08.30am on National Offer Day.

The online application process allows parents to:

- Apply for a place at their preferred schools or academies by completing the form and naming up to six schools.
- Rank their preferred schools in the order they would like their child to be offered a place.
- Give reasons for each preference.
- Give details of any siblings who will be attending one of the preferred schools at the start of the year a place is being applied for.
- Indicate if one of the parents is a member of staff at one of the preferred schools.
- Provide details of the child's faith.
- Indicate if the child has a Statement of Special Educational Needs or an Education Health and Care Plan.
- Indicate if the child is looked after or was previously looked after.

Paper copies of the CAF are also available from Warwickshire's Admissions Service or on the Warwickshire County Council website. This allows parents to provide the same information as the online system.

When completing the CAF parents will be required to provide their Council Tax Property Reference Number.

Completed application forms, either online or paper, should be submitted to the home local authority by the closing date of 16 January 2017. Completed application forms received after the closing date will be considered as late unless a house move has been proven (see relevant section below).

Supplementary Information Forms

Some schools require parents to complete a Supplementary Information Form (SIF) in order to apply its oversubscription criteria. If a SIF is required by the governing body of a school this will be detailed in Warwickshire County Council's Composite Prospectus and on the Warwickshire County Council website.

All SIFs will be available on the WCC website.

Admission authorities within Warwickshire will not use Supplementary Information Forms (SIFs) except where the information available through the CAF is insufficient for consideration against the school's published oversubscription criteria. Where SIFs are used by admissions authorities in Warwickshire we make every effort to ensure they only collect information which is required by the published oversubscription criteria. This is in accordance with paragraph 2.4 of the School Admissions Code.

SIFs must not ask for any of the information prohibited in paragraph 1.9 of the Admissions Code or:

- a) Any personal details about parents and families, such as maiden names, criminal convictions, marital, or financial status (including marriage certificates).
- b) The first language of parents or the child.
- c) Details about the parent's or child's disabilities, special educational needs or medical conditions.
- d) Require that parents agree to support the ethos of the school in a practical way.
- e) Require that both parents sign the form or ask for the child to complete the form.

When a school receives a SIF, Warwickshire will not consider the parents to have applied for a place at that school unless the parent has also listed the school on the CAF submitted to their home local authority.

SIFs should be returned directly to schools. Any SIFs or supplementary evidence sent to Warwickshire's Admissions Service will be forwarded on to the school concerned.

When a school's admission arrangements require a SIF and one is not completed, but the parent has listed the school on the CAF submitted to their home local authority, the application must proceed because an application has been made. If a SIF is not received the application can only be assessed in accordance with information available to the governing body from the CAF and may therefore be given a lower priority in the school's admission arrangements.

Where a SIF is required it must be returned to the preferred school by 16 January 2017.

Changes of address

School places will be allocated using the home address we hold at the closing date for applications.

Where the home address changes before the closing date for applications, parents are able to change their address and if necessary, their preferences. Parents will need to write to Warwickshire's Admissions Service and a new CAF will need to be completed.

Appendix A

Proof of the new address such as a tenancy agreement which terminates after the start of the Autumn term or proof that there has been an exchange of contracts will be required. This must be supplied by 5pm on 16 January 2017.

Where the home address changes after the closing date for applications, parents will need to write to Warwickshire's Admissions Service and a new CAF will need to be completed (even if the preferences are unchanged).

Proof of the new address such as a tenancy agreement which terminates after the start of the Autumn term or proof that there has been an exchange of contracts will be required. When this can be provided by 28 February 2017 the application will be treated as on-time, provided that an on-time application was submitted to the home authority by 16 January 2017.

If the above requirements cannot be met the application will be considered as late and will be processed in the same way as all other late applications.

Applications for schools in other Local Authorities and applications for Warwickshire schools from families living in other Local Authorities

Applications for schools in other local authorities and any relevant / supplementary information will be electronically forwarded to the relevant maintaining local authority in line with the timetable found at the beginning of this document.

Warwickshire's Admissions Service will also receive applications from other local authorities in line with the timetable found at the beginning of this document. These will be recorded and passed to foundation, voluntary aided schools or academies as appropriate. If the application is for a community or voluntary controlled school, Warwickshire's Admissions Service will consider eligibility alongside other applicants.

Multiple Applications

If more than one application is made for a child prior to the closing date, by the same parent, only the latest dated application will be processed. Any previously submitted application will not be processed. If a subsequent application is submitted after the closing date it will be treated as a late application (unless there has been a change of address prior to the relevant date) and the original application disregarded.

If a school place offer has already been made by Warwickshire's Admissions Service and an applicant chooses to submit further applications, the latest-dated application will take priority over any previous applications.

If it is possible to offer a place at one of the preferences on the latest-dated application, an offer will be made and the previous offer will be withdrawn without further reference to the applicant.

Applicants must place any requests to withdraw applications in writing to the Admissions Service (by letter or email) prior to National Offer Day or the relevant reallocation date.

Separated Parents

Warwickshire's Admissions Service will not become involved in disputes between parents.

Where individuals with parental responsibility cannot agree on either the home address or school preferences, we will only consider the application of the parent whose address is held by the child's GP. The other application will not be considered.

How offers are determined

Admission authorities must consider all applications; if there are more applications than places available, the school must apply its oversubscription criteria. Warwickshire's Admissions Service carries out this function for all Community Controlled schools and by prior agreement for other own admission authority schools such as academies. No offers will be made without referring to the appropriate school.

If an own admission authority school is oversubscribed they must produce an intake list, in ranked order, which must include all those who have expressed a preference for the school. The ranked list must be returned to Warwickshire's Admissions Service. Where it has been agreed that Warwickshire's Admissions Service will carry out this function for own admission authority schools, it is the schools responsibility to ensure that they are in agreement with the intake list. Any issues must be raised with Warwickshire's Admissions Service by the date set out in the timetable at the beginning of this document.

For community and voluntary controlled schools, Warwickshire's Admissions Service will apply the oversubscription criteria if there are more applications than the school's Published Admission Number.

In some cases, children who are determined to be eligible for admission will be allocated a place at an alternative school. This is because the alternative school will have been listed as a higher preference on the parent's application.

Where it is possible to offer a place at more than one of a parent's preferred schools, a place will be offered at the school listed as the highest preference on the parent's application.

If Warwickshire's Admissions Service is unable to allocate a place at any preferred school, a place will be allocated at the next nearest school with availability (this could be either a community or voluntary controlled school maintained by Warwickshire or an own admission authority school; this includes faith schools). The next nearest school with availability will be identified based on distance calculated by straight line measurement.

Distance will be calculated by straight line measurement from the address point location coordinate of the applicant's home address (as set by Ordnance Survey) to the centre point ('centroid') of the school in question. (The centroid is a predetermined point set by Warwickshire County Council and all distances are subject to changes which may occur with updates of mapping data).

A single place will be identified for each child by the end of this process.

Appendix A

When schools have more applications than places available, the school's Published Admission Number will only be exceeded if requested by the admission authority, or following discussions between the local authority and the school's Headteacher. Where further capacity is required to provide every child in Warwickshire with an appropriate school place, a discussion will be held with schools by members of the School Place Planning Team.

Notification of offers

National Offer Day is 17 April 2017.

Warwickshire's Admissions Service will communicate to all parents resident within the county who made an application the school place offered. This applies to schools offered within Warwickshire or another local authority, giving the reasons for schools within Warwickshire why higher preferences could not be offered.

Offers will be provided from 08.30am on National Offer Day to applicants who applied online. Offers will be sent via email and will also be available via the online system. Offer letters will be posted second class on Friday 14 April 2017.

When a parent is not offered at their first preferred school they will be provided with:

- a) Information about their right of appeal against any refusal of a place.
- b) Information about the waiting list process.
- c) A breakdown of how places were offered in each Warwickshire school.

Late applications

Every effort will be made to encourage parents to submit applications by the closing date of 16 January 2017 (5.00pm). If applications are received after this date they will be considered as late and will not be processed until after 17 April 2017 (unless there has been a change of address prior to the relevant date). All late applications will be considered on the reallocation dates listed within this scheme.

Once an application form has been received, where parents request after the closing date that a further preference is added or that the order of preferences are changed, any such change will be treated as a new and therefore late application. No parent will be allowed to have more than six live preferences at any point during coordination.

Schools are required to assign criteria as and when applications are received in order for applications to be included in the reallocation rounds. Late applications and changes of preference will be forwarded to schools

Where it is possible to offer a place at more than one of a parent's preferred schools, a place will be offered at the school listed as the highest preference on the parent's application.

If Warwickshire's Admissions Service is unable to allocate a place at any preferred school, a place will be allocated at the next nearest school with availability (this could be either a community or voluntary controlled school maintained by Warwickshire or an own admission authority school; this includes faith schools). The next nearest school with availability will be identified based on distance calculated by straight line measurement.

Appendix A

The reallocation dates for late applications and the associated cut-off dates are as follows:

Wednesday 03 May 2017	Cut-off date for consideration in first reallocation round.
Monday 08 May 2017	First reallocation round commences.
Wednesday 24 May 2017	Cut-off date for consideration in second reallocation round.
Tuesday 30 May 2017	Second reallocation round commences.
Wednesday 14 June 2017	Cut-off date for consideration in third reallocation round.
Monday 19 June 2017	Third reallocation round commences. All applications received from this point onwards will be processed as and when they are received, up until 01 September when in-year coordination commences.

Waiting lists

Children will be automatically added to the waiting lists of all Warwickshire Community and Voluntary Controlled schools listed as a higher preference than the school at which a place is allocated.

Following National Offer Day there will be no distinction drawn on school waiting lists between on time and late applications. All applications on waiting lists will be ranked purely in accordance with the relevant oversubscription criteria. A child's position on a waiting list can move both up and down as other students are added to / removed from the list.

If a place becomes available it will be offered to the child at the top of the school's waiting list. Any places that become available after the initial allocation will be re-allocated as per the reallocation dates included in this document.

Parents should contact own admission authority schools for details of their waiting list policies. However, the local authority continues to coordinate the allocation of places at all schools up to and including 01 September. Own admission authority schools are therefore required to assign criteria as and when applications are received in order for applications to be included in reallocation rounds. No allocation will be made by Warwickshire's Admissions Service without prior agreement with the individual admission authority.

Where it is possible to offer a child a place from a waiting list, parents will be sent an offer letter and will have seven calendar days from the date of the letter to accept the place. If acceptance of the place is not received by Warwickshire's Admissions Service then the offer will be withdrawn and the child removed from the school's waiting list. The place will then be offered to the next child on the waiting list.

For every over-subscribed Community and Voluntary Controlled school, Warwickshire's Admissions Service will retain a waiting list until the end of the Autumn term (31 December). Waiting lists will then be cleared. If parents wish to remain on waiting lists after this period then they will need to request this in writing by completing a new in-year application form. Waiting lists will then be cleared at the end of the Spring Term (at the start of the Easter break). If parents wish to remain on waiting lists after this period then

Appendix A

they will need to request this in writing by completing a new in-year application form. These are available from Warwickshire's Admissions Service.

For own admission authority schools parents should contact the school for details of their waiting list policy. For many schools waiting lists continue to be held by the local authority from 01 September onwards.

If a place becomes available at any school and is offered from a waiting list to a child who is receiving assistance with transport to an alternative school, this assistance may cease if the parent does not accept the place on offer.

Applying for a place in a junior school

The normal point of entry to a Junior school is Year 3 and the local authority coordinates the process of allocating places to these schools.

Parents with a child in Year 2 at an Infant school who would like them to attend a Junior school from September 2017 should apply for a place using the Common Application Form (CAF).

Applying for a Year 3 place at a primary school

As Year 3 is not the normal point of entry for a primary school (when children are 'normally' admitted) applications for a place in Year 3 at a primary school for September 2017 are considered to be 'in-year' applications.

Parents should not apply for a place in Year 3 at other Primary schools using the Common Application Form (CAF) as the application will not be processed as part of the local authority's coordinated scheme. Any such applications should instead be made in accordance with the local authority's in-year scheme.

The table below shows the primary schools in Warwickshire that offer extra places at Year 3

School	Places Offered
Coleshill C of E Primary	30
Milby Primary School	4
Wheelwright Lane Primary School	3
Clifton-Upon-Dunsmore C of E Primary School	4
English Martyrs Catholic Primary School	3
Knightlow C of E Primary School	2
Tanworth-in-Arden C of E Primary School	2
Welford-on-Avon C of E Primary School	3

Applications for Year 3 places at primary schools starting in September 2017 can be submitted from Monday 22 May 2017. Places will then be offered from Monday 12 June 2017 onwards. See Warwickshire's in-year scheme for more details.

Accepting the school place offered

Appendix A

There is no need for parents to accept if they are happy with the school place offered. Warwickshire's Admissions Service will assume that unless parents follow the decline process below that they are happy with their offer.

Declining the school place offered

Parents are required to notify Warwickshire's Admissions Service if they do not intend to accept the place offered. These places will then be reallocated. Parents will be required to provide a reason for declining the place offered, with the place only being released if parents are able to provide details of suitable alternative education provision (for example a place at an independent school). Notification of declines must be in writing.

Coordination after 17 April 2017

The School Admissions Code makes it clear that parents must continue to apply to their home local authority for "late" applications for the normal admissions round (i.e between 17 April and 31 August for Reception places and Junior transfer). This will ensure that as places become available they are re-allocated effectively and duplicate offers are avoided. All schools must continue to follow the coordinated scheme and not allocate places themselves.

Cooperation between admission authorities will ensure that each child is offered only one school place and that it is the highest preference that can be offered.

After 01 September the in-year admissions process commences for Reception places and Year 3 places at Junior Schools.

Applications from overseas residents

For families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area, admission authorities must:

- a) allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address when considering the application against their oversubscription criteria. This must include accepting a Unit postal address or quartering area address for a service child. Admission authorities must not refuse a service child a place because the family does not currently live in the area, or reserve blocks of places for these children;
- b) ensure that arrangements in their area support the Government's commitment to removing disadvantage for service children. Arrangements must be appropriate for the area and be described in the local authority's composite prospectus.

For all other applicants who live overseas but will be moving to Warwickshire, we can process your application using your overseas address. However, when schools are oversubscribed, the distance from home to school is one of the factors used to determine which students are offered places. Using an overseas address may therefore limit the chances of you being offered a place at your preferred school. If you can provide proof of a Warwickshire address by 28 February 2017 (for primary admissions) or 30 December 2016 (for secondary admissions) then we will use the new address to process your application and treat it as on-time. Where proof of a Warwickshire address

Appendix A

is received after these dates then your application will be considered with all other late applications.

For schools where Warwickshire County Council is the admission authority there is also an expectation that the child and applicant will be resident at the address used to allocate a place from the start of term. Short-term house moves purely to secure a school place may be considered fraudulent or intentionally misleading and in such circumstances the place may be withdrawn. Other admission authorities have similar provisions in their own admission arrangements. Contact individual schools for details.

Warwickshire County Council
Secondary Coordinated Admissions Scheme

Section 1 – Timetable for secondary coordinated Admissions for September 2017

DATE	EVENT
April 2016	Warwickshire's Admissions Service to obtain data of Warwickshire children due to start secondary school in September 2017. Data obtained from Commissioning Support Service, MIS Team, other local authorities and Independent schools located in Warwickshire.
May 2016	Secondary packs posted directly to parents with children due to transfer to Secondary school in September 2017. Copies of publicity materials sent to primary / junior schools and libraries.
Monday 09 May 2016	11+ Registration Opens (for information).
Monday 09 May 2016	Applications process opens.
Wednesday 15 June 2016	Deadline for 11+ registration if parents are requesting special testing arrangements due to learning difficulties or a physical disability (for information).
Friday 08 July 2016	11+ Registration Closes (for information).
Saturday 10 September 2016	Main 11+ test date (for information).
Sunday 11 September 2016	Sunday 11+ test date (for information).
Monday 19 September 2016	Main supplementary 11+ test date (for information).
Monday 10 October 2016	Reminder letters sent to parents who have not applied for a Secondary school place. Reminder emails to schools encouraging them to remind parents of the need to apply.
Monday 31 October 2016	National Closing date for applications (5pm). Applications received after this date will considered as late and will not be processed until additional allocation rounds (unless the family is moving into the area – see below for more details).
Friday 11 November 2016 - TBC	First exchange of data with neighbouring authorities.
Monday 21 November 2016	Applications sent to own admission authority schools so that oversubscription criteria can be added (except where WCC has been commissioned to carry out this task). Application data available via SAM (the School Admissions Module) to voluntary aided, trust, foundation schools and academies purchasing Warwickshire's Admissions Service. Data to include straight-line measurements. Sent via

Appendix A

	Excel spreadsheet to oversubscribed academies not purchasing Warwickshire's Admissions Service (no straight-line measurements included).
Monday 21 November 2016	Sibling Checklists available to all schools via SAM other than academies not purchasing Warwickshire's Admissions Service where data will be sent via Excel spreadsheet.
Friday 30 December 2016	Final date for families moving into the area to have provided proof of address in order for application to be considered as on-time.
Monday 09 January 2017	Own admission authority schools to return ranked lists to WCC by 5.00pm. To be returned via SAM or Excel if the school has not purchased Warwickshire's Admissions Service.
Friday 20 January 2017 TBC	Second exchange of data with neighbouring authorities.
Friday 03 February 2017 TBC	Third exchange of data with neighbouring authorities.
Monday 06 February 2017	Provisional offers available to all schools via SAM other than academies not purchasing Warwickshire's Admissions Service where offers will be sent via Excel spreadsheet. Schools to notify Warwickshire's Admissions Service of any issues by 24 March 2017. Offer data to remain confidential.
Friday 10 February 2017	Schools to have notified Warwickshire's Admissions Service of any issues with provisional offers.
Monday 13 February 2017 TBC	Final exchange with neighbouring authorities.
Wednesday 15 February 2017 - TBC	Special Educational Needs Disability and Review Team (SENDAr) must have informed Warwickshire's Admissions Service re. pupils with Education Health and Care Plans. (Statutory)
Monday 27 February 2017	Offer letters posted second class.
Wednesday 01 March 2017	National Offer Day. Offers made to parents by Warwickshire's Admissions Service (Statutory). Information on late applicants sent to all schools via SAM other than academies not purchasing Warwickshire's Admissions Service where data will be sent via Excel spreadsheet.
Wednesday 15 March 2017	Cut-off date for consideration in first reallocation round.
Monday 20 March 2017	First reallocation round commences.
Wednesday 29 March 2017	Deadline for on-time applicants to submit appeal forms (by 5.00pm).
Wednesday 05 April 2017	Cut-off date for consideration in second reallocation round.

Appendix A

Monday 10 April 2017	Second reallocation round commences.
Wednesday 26 April 2017	Cut-off date for consideration in third reallocation round.
Tuesday 02 May 2017	Third reallocation round commences. All applications received from this point onwards will be processed as and when they are received, up until 01 September when in-year coordination commences.
Monday 15 May 2017	Places allocated to Warwickshire children due to transfer to secondary school in September 2017 when an application has not been submitted. Letters sent to parents to advise of the places offered.
Monday 22 May 2017 onwards	In-Year applications for places starting in September 2017 can be submitted (all year groups except Year 7).
Monday 12 June 2017 onwards	In-year places for September 2017 offered.
Wednesday 14 June 2017	Appeals lodged before 29 March 2017 will be heard by this date.
Friday 01 September 2017	In-year coordination commences. Waiting lists held until 31 December for oversubscribed Community and Voluntary Controlled schools.

Section 2 - Secondary coordinated admissions for September 2017

Coordinated Admissions

All local authorities are required to have in place a scheme for coordinating admission arrangements for maintained schools and academies within their area.

Coordinated schemes are intended to simplify the admission process for parents whilst reducing the likelihood of any child being left without a school place. Coordination establishes a mechanism that ensures as far as is reasonably practicable, every parent of a child who has applied for a place at a maintained school or academy is sent a single offer of a school place by the local authority in which their home address falls (their home authority).

The term 'parent' in this document includes both individual parents and those with parental responsibility – for example carers.

Under the scheme of coordinated admissions parents apply directly to their home authority and make a single application for a school place. Local authorities and other admission authorities such as the governing bodies of academies or church aided schools then exchange data. This is to determine which children can be offered a place at which school. Parents then receive a single offer of a school place from their home local authority.

Only parents who are resident in the county of Warwickshire or who are able to satisfy the relevant address requirements should apply through Warwickshire's Admissions Service.

Warwickshire residents must apply through Warwickshire's Admissions Service for their application to be considered as on-time. Where parents approach schools directly they must be directed to Warwickshire's Admissions Service. Any Warwickshire resident who does not make an application through Warwickshire's Admissions Service will be considered to have submitted a late application, even if they applied directly to a school.

Warwickshire will manage allocations in line with the coordinated admissions scheme. Application data relating to schools in other local authorities will be forwarded via S2S. This system is part of the DfE's Secure Access website and is designed to transfer data between local authorities and schools securely.

This scheme primarily relates to children starting secondary school in September 2017. However, the key dates for applications and offers also apply to children transferring to Year 10 in a 14-19 school in September 2017.

Admission Arrangements

All schools are required to have a set of admission arrangements that clearly set out how children will be admitted. These arrangements need to include the criteria that will be applied if there are more applications than places at the school. (Oversubscription criteria) Admission arrangements are determined by admission authorities in line with the School Admissions Code.

Appendix A

In community controlled schools the local authority is the admission authority and has responsibility for determining admission arrangements. In academies, church aided, trust, foundation and other 'own admission authority' schools, the governing body has responsibility for determining admission arrangements. In Multi-Academy-Trusts the Trust has responsibility for determining admission arrangements.

A school's admission arrangements must contain:

- The school's Published Admission Number (PAN) for each 'relevant age group'. This is the number of places that will normally be offered to children joining the school at the normal point of entry (for secondary schools this is Year 7).
- The school's oversubscription criteria. These are used to decide which children are offered places when there are more applications than places available. Each child is placed within a criterion. Places are offered in criteria order to reach a school's PAN.
- Definition of sibling. Admission authorities must state in their arrangements what they mean by sibling (eg does it include step-sibling, older and younger siblings). Where priority is given to siblings of former pupils, admission authorities must set out a clear and simple definition of such former pupils. Some schools give priority to siblings of pupils attending another state funded school. Where this is the case, this priority must be clearly set out in the arrangements.
- Distance from school. Admission authorities must clearly set out how distance from home to school will be measured, and make it clear how 'home address' will be determined and the point in the school from which all distances are measured. This should include provision for parents who have shared responsibility for a child.

The School Admissions Code also requires that:

- All children whose Statement of Special Educational Needs (SEN) or Education, Health and Care (EHC) plan names a school must be admitted.
- The highest priority in a school's oversubscription criteria must also be given, unless otherwise allowed in the Admissions Code, to looked after children and all previously looked after children. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order¹⁸ or special guardianship order).
- If a school is not oversubscribed, all applicants must be offered a place (with the exception of designated grammar schools).

The admission arrangements of any school must be such as to enable relevant decisions to be made in line with the timetable of this scheme.

Information for parents

In April of each year, Warwickshire's Admissions Service receives data from Warwickshire County Council's Commissioning Support Service, MIS Team, other local authorities and Independent schools located in Warwickshire, relating to children due to start secondary school the following September. This data is then used to distribute information on the admissions process to parents.

Appendix A

In May of each year booklets explaining the school application process are sent to the parents of children resident in Warwickshire who are due to start secondary school the following year.

Copies of the booklet will also be sent to schools, nurseries and libraries. Schools should then take steps to inform parents of the need to apply for a place and of the necessary deadlines. Full details of the process will also be available on the Warwickshire County Council website.

Also available on the Warwickshire County Council website will be the local authority's Composite Prospectus. This is an expanded version of the booklet sent to parents and will contain the full admission arrangements of each school in Warwickshire. Copies of this are available on request.

Applying for a school place

Parents apply for school place using a Common Application Form (CAF). Parents are encouraged to apply for a school place using Warwickshire's online application system. This allows parents to complete an electronic version of the CAF. The advantages of the online system are as follows:

- The process is relatively quick and easy.
- Applicants receive an acknowledgment email confirming that their application has been submitted.
- Parents applying online receive their offer of a school place from 08.30am on National Offer Day.

The online application process allows parents to:

- Apply for a place at their preferred schools or academies by completing the form and naming up to six schools.
- Rank their preferred schools in the order they would like their child to be offered a place.
- Give reasons for each preference.
- Give details of any siblings who will be attending one of the preferred schools at the start of the year a place is being applied for.
- Indicate if one of the parents is a member of staff at one of the preferred schools.
- Provide details of the child's faith.
- Indicate if the child has a Statement of Special Educational Needs or an Education Health and Care Plan.
- Indicate if the child is looked after or was previously looked after.

Paper copies of the CAF are also available from Warwickshire's Admissions Service or on the Warwickshire County Council website. This allows parents to provide the same information as the online system.

When completing the CAF parents will be required to provide their Council Tax Property Reference Number.

Completed application forms, either online or paper, should be submitted to the home local authority by the statutory closing date of 31 October 2016. Completed application

Appendix A

forms received after the closing date will be considered as late unless a house move has been proven (see relevant section below).

Supplementary Information Forms

Some schools require parents to complete a Supplementary Information Form (SIF) in order to apply its oversubscription criteria. If a SIF is required by the governing body of a school this will be detailed in Warwickshire County Council's Composite Prospectus and on the Warwickshire County Council website.

All SIFs will be available on the WCC website.

Admission authorities within Warwickshire will not use Supplementary Information Forms (SIFs) except where the information available through the CAF is insufficient for consideration against the school's published oversubscription criteria. Where SIFs are used by admissions authorities in Warwickshire we make every effort to ensure they only collect information which is required by the published oversubscription criteria. This is in accordance with paragraph 2.4 of the School Admissions Code.

SIFs must not ask for any of the information prohibited in paragraph 1.9 of the Admissions Code or:

- f) Any personal details about parents and families, such as maiden names, criminal convictions, marital, or financial status (including marriage certificates).
- g) The first language of parents or the child.
- h) Details about the parent's or child's disabilities, special educational needs or medical conditions.
- i) Require that parents agree to support the ethos of the school in a practical way.
- j) Require that both parents sign the form or ask for the child to complete the form.

When a school receives a SIF, Warwickshire will not consider the parents to have applied for a place at that school unless the parent has also listed the school on the CAF submitted to their home local authority.

SIFs should be returned directly to schools. Any SIFs or supplementary evidence sent to Warwickshire's Admissions Service will be forwarded on to the school concerned.

When a school's admission arrangements require a SIF and one is not completed, but the parent has listed the school on the CAF submitted to their home local authority, the application must proceed because an application has been made. If a SIF is not received the application can only be assessed in accordance with information available to the governing body from the CAF and may therefore be given a lower priority in the school's admission arrangements.

Where a SIF is required it must be returned to the preferred school by 31 October 2017

Changes of address

School places will be allocated using the home address we hold at the closing date for applications.

Appendix A

Where the home address changes before the closing date for applications, parents are able to change their address and if necessary, their preferences. Parents will need to write to Warwickshire's Admissions Service and a new CAF will need to be completed.

Proof of the new address such as a tenancy agreement which terminates after the start of the Autumn term or proof that there has been an exchange of contracts will be required. This must be supplied by 5pm on 30 December 2016.

Where the home address changes after the closing date for applications, parents will need to write to Warwickshire's Admissions Service and a new CAF will need to be completed (even if the preferences are unchanged).

Proof of the new address such as a tenancy agreement which terminates after the start of the Autumn term or proof that there has been an exchange of contracts will be required. When this can be provided by 30 December 2016 the application will be treated as on-time, provided that an on-time application was submitted to the home authority by 31 October 2016.

If the above requirements cannot be met the application will be considered as late and will be processed in the same way as all other late applications.

Applications for schools in other Local Authorities and applications for Warwickshire schools from families living in other Local Authorities

Applications for schools in other local authorities and any relevant / supplementary information will be electronically forwarded to the relevant maintaining local authority in line with the timetable found at the beginning of this document.

Warwickshire's Admissions Service will also receive applications from other local authorities in line with the timetable found at the beginning of this document. These will be recorded and passed to foundation, voluntary aided schools or academies as appropriate. If the application is for a community or voluntary controlled school, Warwickshire's Admissions Service will consider eligibility alongside other applicants.

Multiple Applications

If more than one application is made for a child prior to the closing date, by the same parent, only the latest dated application will be processed. Any previously submitted application will not be processed. If a subsequent application is submitted after the closing date it will be treated as a late application (unless there has been a change of address prior to the relevant date) and the original application disregarded.

If a school place offer has already been made by Warwickshire's Admissions Service and an applicant chooses to submit further applications, the latest-dated application will take priority over any previous applications.

If it is possible to offer a place at one of the preferences on the latest-dated application, an offer will be made and the previous offer will be withdrawn without further reference to the applicant.

Appendix A

Applicants must place any requests to withdraw applications in writing to the Warwickshire's Admissions Service (by letter or email) prior to National Offer Day or the relevant reallocation date.

Separated Parents

Warwickshire's Admissions Service will not become involved in disputes between parents.

Where individuals with parental responsibility cannot agree on either the home address or school preferences, we will only consider the application of the parent whose address is held by the child's GP. The other application will not be considered.

How offers are determined

Admission authorities must consider all applications; if there are more applications than places available, the school must apply its oversubscription criteria. Warwickshire's Admissions Service carries out this function for all Community Controlled schools and by prior agreement for other own admission authority schools such as academies. No offers will be made without referring to the appropriate school.

If an own admission authority school is oversubscribed they must produce an intake list, in ranked order, which must include all those who have expressed a preference for the school. The ranked list must be returned to Warwickshire's Admissions Service. Where it has been agreed that Warwickshire's Admissions Service will carry out this function for own admission authority schools, it is the schools responsibility to ensure that they are in agreement with the intake list. Any issues must be raised with Warwickshire's Admissions Service by the date set out in the timetable at the beginning of this document.

For community and voluntary controlled schools, Warwickshire's Admissions Service will apply the oversubscription criteria if there are more applications than the school's Published Admission Number.

In some cases, children who are determined to be eligible for admission will be allocated a place at an alternative school. This is because the alternative school will have been listed as a higher preference on the parent's application.

Where it is possible to offer a place at more than one of a parent's preferred schools, a place will be offered at the school listed as the highest preference on the parent's application.

If Warwickshire's Admissions Service is unable to allocate a place at any preferred school, a place will be allocated at the next nearest school with availability (this could be either a community or voluntary controlled school maintained by Warwickshire or an own admission authority school; this includes faith schools). The next nearest school with availability will be identified based on distance calculated by straight line measurement.

Distance will be calculated by straight line measurement from the address point location coordinate of the applicant's home address (as set by Ordnance Survey) to the centre point ('centroid') of the school in question. (The centroid is a predetermined point set by

Appendix A

Warwickshire County Council and all distances are subject to changes which may occur with updates of mapping data).

A single place will be identified for each child by the end of this process.

When schools have more applications than places available, the school's Published Admission Number will only be exceeded if requested by the admission authority, or following discussions between the local authority and the school's Headteacher. Where further capacity is required to provide every child in Warwickshire with an appropriate school place, a discussion will be held with schools by members of the School Place Planning Team.

Notification of offers

National Offer Day is 01 March 2017

Warwickshire's Admissions Service will communicate to all parents resident within the county who made an application the school place offered. This applies to schools offered within Warwickshire or another local authority, giving the reasons for schools within Warwickshire why higher preferences could not be offered.

Offers will be provided from 08.30am on National Offer Day to applicants who applied online. Offers will be sent via email and will also be available via the online system. Offer letters will be posted second class on Monday 27 February 2017.

When a parent is not offered at their first preferred school they will be provided with:

- a) Information about their right of appeal against any refusal of a place.
- b) Information about the waiting list process.
- c) A breakdown of how places were offered in each Warwickshire school.

Late applications

Every effort will be made to encourage parents to submit applications by the closing date of 31 October 2016 (5.00pm). If applications are received after this date they will be considered as late and will not be processed until after 01 March (unless there has been a change of address prior to 30 December 2016). All late applications will be considered on the reallocation dates listed within this scheme.

Once an application form has been received, where parents request after the closing date that a further preference is added or that the order of preferences are changed, any such change will be treated as a new and therefore late application. No parent will be allowed to have more than six live preferences at any point during coordination.

Schools are required to assign criteria as and when applications are received in order for applications to be included in the reallocation rounds. Late applications and changes of preference will be forwarded to schools

Where it is possible to offer a place at more than one of a parent's preferred schools, a place will be offered at the school listed as the highest preference on the parent's application.

Appendix A

If Warwickshire's Admissions Service is unable to allocate a place at any preferred school, a place will be allocated at the next nearest school with availability (this could be either a community or voluntary controlled school maintained by Warwickshire or an own admission authority school; this includes faith schools). The next nearest school with availability will be identified based on distance calculated by straight line measurement.

The reallocation dates for late applications and the associated cut-off dates are as follows:

Wednesday 15 March 2017	Cut-off date for consideration in first reallocation round.
Monday 20 March 2017	First reallocation round commences.
Wednesday 05 April 2017	Cut-off date for consideration in second reallocation round.
Monday 10 April 2017	Second reallocation round commences.
Wednesday 26 April 2017	Cut-off date for consideration in third reallocation round.
Tuesday 02 May 2017	Third reallocation round commences. All applications received from this point onwards will be processed as and when they are received, up until 01 September when in-year coordination commences.

Waiting lists

Children will be automatically added to the waiting lists of all Warwickshire Community and Voluntary Controlled schools listed as a higher preference than the school at which a place is allocated.

Following National Offer Day there will be no distinction drawn on school waiting lists between on time and late applications. All applications on waiting lists will be ranked purely in accordance with the relevant oversubscription criteria. A child's position on a waiting list can move both up and down as other students are added to / removed from the list.

If a place becomes available it will be offered to the child at the top of the school's waiting list. Any places that become available after the initial allocation will be re-allocated as per the reallocation dates included in this document.

Parents should contact own admission authority schools for details of their waiting list policies. However, the local authority continues to coordinate the allocation of places at all schools up to and including 01 September. Own admission authority schools are therefore required to assign criteria as and when applications are received in order for applications to be included in reallocation rounds. No allocation will be made by Warwickshire's Admissions Service without prior agreement with the individual admission authority.

Where it is possible to offer a child a place from a waiting list, parents will be sent an offer letter and will have seven calendar days from the date of the letter to accept the place. If acceptance of the place is not received by Warwickshire's Admissions Service then the offer will be withdrawn and the child removed from the school's waiting list. The place will then be offered to the next child on the waiting list.

Appendix A

For every over-subscribed Community and Voluntary Controlled school, Warwickshire's Admissions Service will retain a waiting list until the end of the Autumn term (31 December). Waiting lists will then be cleared. If parents wish to remain on waiting lists after this period then they will need to request this in writing by completing a new in-year application form. Waiting lists will then be cleared at the end of the Spring Term (at the start of the Easter break). If parents wish to remain on waiting lists after this period then they will need to request this in writing by completing a new in-year application form. These are available from Warwickshire's Admissions Service.

For own admission authority schools parents should contact the school for details of their waiting list policy. For many schools waiting lists continue to be held by the local authority from 01 September onwards.

If a place becomes available at any school and is offered from a waiting list to a child who is receiving assistance with transport to an alternative school, this assistance may cease if the parent does not accept the place on offer.

Declining the school place offered

Parents are required to notify Warwickshire's Admissions Service if they do not intend to accept the place offered. These places will then be reallocated. Parents will be required to provide a reason for declining the place offered, with the place only being released if parents are able to provide details of suitable alternative education provision (for example a place at an independent school). Notification of declines must be in writing.

Coordination after 01 March 2017

The School Admissions Code makes it clear that parents must continue to apply to their home local authority for "late" applications for the normal admissions round (i.e between 01 March and 31 August for secondary transfer). This will ensure that as places become available they are re-allocated effectively and duplicate offers are avoided. All schools must continue to follow the coordinated scheme and not allocate places themselves.

Cooperation between admission authorities will ensure that each child is offered only one school place and that it is the highest preference that can be offered.

After 01 September the in-year admissions process commences for Year 7 places.

Applications from overseas residents

For families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area, admission authorities must:

- a) allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address when considering the application against their oversubscription criteria. This must include accepting a Unit postal address or quartering area address for a service child. Admission authorities must not refuse a service child a place because the family does not currently live in the area, or reserve blocks of places for these children;

Appendix A

- b) ensure that arrangements in their area support the Government's commitment to removing disadvantage for service children. Arrangements must be appropriate for the area and be described in the local authority's composite prospectus.

For all other applicants who live overseas but will be moving to Warwickshire, we can process your application using your overseas address. However, when schools are oversubscribed, the distance from home to school is one of the factors used to determine which students are offered places. Using an overseas address may therefore limit the chances of you being offered a place at your preferred school. If you can provide proof of a Warwickshire address by 28 February 2017 (for primary admissions) or 30 December 2016 (for secondary admissions) then we will use the new address to process your application and treat it as on-time. Where proof of a Warwickshire address is received after these dates then your application will be considered with all other late applications.

For schools where Warwickshire County Council is the admission authority there is also an expectation that the child and applicant will be resident at the address used to allocate a place from the start of term. Short-term house moves purely to secure a school place may be considered fraudulent or intentionally misleading and in such circumstances the place may be withdrawn. Other admission authorities have similar provisions in their own admission arrangements. Contact individual schools for details.

Warwickshire County Council
In-Year Admissions Scheme – 2017/18

Background

The School Admissions Code no longer requires local authorities to coordinate in-year applications for school place. In-year applications are those when a child wishes to move from one school to another outside of the normal admissions round; for example because of a house move.

In-year admissions also apply when parents who would like to move their child from an infant school to a primary school for the start of Year 3. This is because Year 3 is not the normal point of entry for primary schools.

Warwickshire County Council does, however, still coordinate in-year applications for all community and voluntary controlled schools, and the vast majority of own admission authority schools, such as academies. At the time of writing only the following schools are not part of Warwickshire's In-Year Admissions Scheme:

All Saints Bedworth C of E Primary School
Southam St James C of E (VA) Primary School
St Lawrence C of E (VA) Primary School
St Nicolas C Of E (VA) Primary School
Studley St Mary's C of E Junior School

Warwickshire residents wishing to apply for a place at the above schools should contact them directly. Non-Warwickshire residents should instead contact their home local authority.

The application process

Warwickshire residents applying for a place at a Warwickshire School

Parents are required to complete a Change of School application form. Copies of the form are available on the Warwickshire County Council website and from Warwickshire's Admissions Service. The form allows parents to:

- Name up to six schools in their preferred order.
- Rank their preferred schools in the order they would like their child to be offered a place.
- Give reasons for each preference.
- Give details of any siblings who will be attending one of the preferred schools at the start of the year a place is being applied for.
- Indicate if one of the parents is a member of staff at one of the preferred schools.
- Provide details of the child's faith.
- Indicate if the child has a Statement of Special Educational Needs or an Education Health and Care Plan.
- Indicate if the child is looked after or was previously looked after.

Section B of the Change of School form must also be completed by the child's current or previous school. Completion of Section B will help to ensure that discussions have taken place between the child's current or previous school and the parent(s) regarding any

Appendix A

outstanding issues. No applications will be processed unless Section B of the form is completed.

Once the Change of School form is completed it should be returned to Warwickshire's Admissions Service

Definition of Home Address

As part of the application process proof of the home address is required. Acceptable proof of address includes a recent utility bill, council tax bill, housing benefit letter, bank statement, rental agreement, or a solicitor's letter confirming completion when purchasing a new property.

The home address is where the child sleeps for the majority of the school week. Addresses involved in child-minding arrangements, whether with professional child-minders, friends or relatives, are excluded.

Short-term house moves which occur only to secure a school place and which are considered fraudulent or intentionally misleading may therefore result in the place being withdrawn.

Warwickshire's Admissions Service will not become involved in disputes between parents.

Where individuals with parental responsibility cannot agree on either the home address or school preferences, and multiple in-year applications are submitted, we will only consider the application of the parent whose address is held by the child's GP. The other application will not be considered.

Applications from overseas residents

For families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area, admission authorities must:

- a) allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address when considering the application against their oversubscription criteria. This must include accepting a Unit postal address or quartering area address for a service child. Admission authorities must not refuse a service child a place because the family does not currently live in the area, or reserve blocks of places for these children;
- b) ensure that arrangements in their area support the Government's commitment to removing disadvantage for service children. Arrangements must be appropriate for the area and be described in the local authority's composite prospectus.

For all other applicants who live overseas but will be moving to Warwickshire, we can process your application using your overseas address. However, when schools are oversubscribed, the distance from home to school is one of the factors used to determine which students are offered places. Using an overseas address may therefore limit the chances of you being offered a place at your preferred school. If you can provide proof of a Warwickshire address then we will use this to process your

Appendix A

application. Acceptable proof includes a tenancy agreement (of at least six months) or proof that an exchange of contracts has taken place.

Places must be taken up within twenty school days of the offer being made. For schools where Warwickshire County Council is the admission authority there is also an expectation that the child and applicant will be resident at the address used to allocate a place from the start of term. Short-term house moves purely to secure a school place may be considered fraudulent or intentionally misleading and in such circumstances the place may be withdrawn. Other admission authorities have similar provisions in their own admission arrangements. Contact individual schools for details.

How the offer of a place is determined

Upon receipt of a completed application form Warwickshire Admissions Service will send it to the school listed as the first preference on the application form. Schools must inform Warwickshire's Admissions Service within two school days if they are able to offer a place. If the first preference school are able to offer a place then the parents will be notified in writing and no further consideration will be given to any remaining preferences.

Where the first preference school is not able to offer a place then the relevant oversubscription criteria will be used to determine the child's place on the school's waiting list. For community and voluntary controlled schools, Warwickshire's Admissions Service will apply the oversubscription criteria. Where it has been agreed that Warwickshire's Admissions Service will carry out this function for own admission authority schools, it is the schools responsibility to ensure that they are in agreement with the oversubscription criteria allocated. The oversubscription criteria can be viewed via the School Admissions Module. Other own admission authority schools are responsible for assigning the relevant oversubscription criteria.

Where the first preference school is not able to offer a place then the second preference school will be sent the application and the process set out above is repeated.

Should it not be possible to offer a place at any of the preferences, and the applicant does not want their child to remain at their current school, then a place will be allocated at the next nearest school with availability (this could be either a community or voluntary controlled school maintained by Warwickshire or an own admission authority school; this includes faith schools. The next nearest school with availability will be identified based on distance calculated by straight line measurement.

Distance will be calculated by straight line measurement from the address point location coordinate of the applicant's home address (as set by Ordnance Survey) to the centre point ('centroid') of the school in question. (The centroid is a predetermined point set by Warwickshire County Council and all distances are subject to changes which may occur with updates of mapping data).

Timescales

Warwickshire County Council aims to process all applications within ten school days. Where applications are not completed in full they may take longer to process.

Applications may also take longer to process for:

Appendix A

- Children with Statements of Special Educational Needs or and Education, Health and Care Plan.
- Grammar School places.
- Children who fall under the In-Year Fair Access Protocol.

Once a place is offered parents have ten working days to accept the place. Parents must accept the place by contacting the Admissions Service. If a place is not accepted within this period then the offer will be withdrawn. Places must normally be taken up (ie the child must start at the school) within twenty school days of the place being offered, unless the place offered is for the following academic year. The place should then be taken up within 10 school days from the start of term.

Applying for a Year 3 place at a primary school starting in September 2017

As Year 3 is not the normal point of entry for a primary school (when children are 'normally' admitted) applications for a place in Year 3 at a primary school for September 2017 are considered to be 'in-year' applications.

The table below shows the primary schools in Warwickshire that offer extra places at Year 3

School	Places Offered
Coleshill C of E Primary	30
Milby Primary School	4
Wheelwright Lane Primary School	3
Clifton-Upon-Dunsmore C of E Primary School	4
English Martyrs Catholic Primary School	3
Knightlow C of E Primary School	2
Tanworth-in-Arden C of E Primary School	2
Welford-on-Avon C of E Primary School	3

Applications for Year 3 places at primary schools starting in September 2017 can be submitted from Monday 22 May 2017. Places will then be offered from Monday 12 June 2017 onwards.

Appeals

Where applicable, parents will be informed of their statutory right of appeal when they receive the outcome of their application. Parents can appeal for any preference where they have received a refusal. Parents cannot, however, appeal for a place at a school listed as a lower preference than the school place offered. This is because the place will not have been considered and refused.

Appeals for places at Community and Voluntary Controlled Schools can be lodged on the Warwickshire County Council website. For own admission authority schools, such as academies, parents should contact the school directly for details of the appeals process.

Waiting Lists

Children will be automatically added to the waiting lists of all Warwickshire community and voluntary controlled schools listed as a higher preference than the school at which a

Appendix A

place is allocated. Waiting lists for all community and voluntary controlled schools will be held by Warwickshire's Admissions Service. Waiting lists will then be cleared at the end of each term. If parents wish to remain on a waiting list then they will need to request this in writing by completing a new in-year application form. These are available from Warwickshire's Admissions Service.

For own admission authority schools such as academies parents should contact the schools directly for details of how waiting lists operate.

Warwickshire residents applying for a place at schools outside of Warwickshire

Warwickshire residents wanting to apply for a place at a school outside of Warwickshire should contact the relevant local authority. For example, parents wanting to apply for a place at a Coventry school should contact Coventry Admissions. Parents may then be directed to apply using Warwickshire's Change of School application form.

Non-Warwickshire residents applying for a place at a Warwickshire school

Non-Warwickshire residents wanting to apply for a place at a Warwickshire school should in the first instance contact their home local authority. You may then need to apply using Warwickshire's Change of School application form.

Warwickshire County Council
Oversubscription Criteria for Community and Voluntary Controlled Primary, Infant and Junior Schools

Infant and Primary Schools

In the event that a Warwickshire Community or Voluntary Controlled Infant or Primary school is oversubscribed, then the following oversubscription criteria will be used when allocating places.

1. Children in the care of, or provided with accommodation by, a local authority and children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order);
2. Children living in the priority area who will have a sibling at the school at the time of admission;
3. Children living in the priority area who will have a sibling at the partner junior school at the time of admission;
4. Other children living in the priority area;
5. Children living outside the priority area who will have a sibling at the school at the time of admission;
6. Children living outside the priority area who will have a sibling at the partner junior school at the time of admission;
7. Other children living outside the priority area.

Please note that:

- a) Children with a Statement of Special Educational Needs or an Education and Health Care (EHC) Plan that names a school will be admitted first. In this event the number of places that remain for allocation will be reduced.
- b) Children attending or with a place at a nursery class do not have a higher priority for and are not guaranteed a place in the linked infant or primary school.
- c) Time of admission relates to the time the applicant would start at the school – not the time of application or offer.

Junior Schools

In the event that a Warwickshire junior school is oversubscribed, then the following oversubscription criteria will be used when allocating places:

1. Children in the care of, or provided with accommodation by, a local authority and children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order);

Appendix B

2. Children living in the priority area who will have a sibling at the school at the time of admission;
3. Children living in the priority area who will have a sibling at the partner infant school at the time of admission;
4. Other children living in the priority area;
5. Children living outside the priority area who will have a sibling at the school at the time of admission;
6. Children living outside the priority area who attended the partner infant school immediately prior to transfer;
7. Children living outside the priority area who will have a sibling at the partner infant school at the time of admission;
8. Other children living outside the priority area.

Please note that:

- a) Children with a Statement of Special Educational Needs that names a school will be admitted first. In this event the number of places that remain for allocation will be reduced.
- b) Time of admission relates to the time the applicant would start at the school – not the time of application or offer.

The following terms / definitions apply to the oversubscription criteria for Warwickshire Community or Voluntary Controlled Infant, Primary and Junior Schools.

Priority Areas

Each community and voluntary controlled school has an area identified as its priority area (other local authorities refer to catchment areas). A small number of schools share priority areas; these are known as shared priority areas. Full details of priority areas are available on the Warwickshire County Council website and can be viewed using interactive maps:

Infant and Primary School Priority Area Maps -
<http://www.warwickshire.gov.uk/mapinfantprimaryschools>

Junior and Primary School Priority Area Maps -
<http://www.warwickshire.gov.uk/mapjuniorprimaryschools>

Infant, Junior and Primary School Priority Area Descriptions -
<http://apps.warwickshire.gov.uk/api/documents/WCCC-699-42>

Priority within each oversubscription criterion

For applicants allocated the same criterion priority is given in order of distance between the child's home and school (shortest distance = highest priority).

Appendix B

Distance will be calculated by straight line measurement from the address point location coordinate of the applicant's home address (as set by Ordnance Survey) to the centre point ('centroid') of the school in question. (The centroid is a predetermined point set by Warwickshire County Council and all distances are subject to changes which may occur with updates of mapping data).

Sibling, i.e. brother or sister, attending the school at the time of admission

Sibling is defined as; a brother or sister, a half brother or sister, an adopted brother or sister, a step-brother or sister, or the child of the parents' partner, where the child for whom the school place is sought is living in the same family unit and at the same address as that sibling.

Definition of Home Address

Where the child normally resides / sleeps when they attend school. Addresses involved in child-minding arrangements, whether with professional child-minders, friends or relatives, are excluded.

Where a school place is allocated on the basis of an address which is subsequently found to be different from the child's home address that place can be withdrawn. This includes situations where the address used to allocate a place changes prior to the place being taken up.

There is also an expectation that the child and applicant will be resident at the address used to allocate a place from the start of term.

Short-term house moves purely to secure a school place may be considered fraudulent or intentionally misleading and in such circumstances the place may be withdrawn.

Postal Address File (PAF)

The address point location coordinate of the applicant's home address as set by Ordnance Survey.

Applications made from the same multiple dwelling sharing a single Postal Address File (PAF) / Other applications where the distance from home to school is identical

Where required, individual priority for such applicants within a particular criterion will be set by random allocation (lottery). The draw will be carried out by two officers of the Admissions Service in the presence of a local authority Solicitor. The order of draw will be recorded and countersigned at the time.

Admission of children below compulsory school age and deferred entry to school.

As is required by the School Admissions Code Warwickshire County Council provides for the admission of all children in the September following their fourth birthday. Where a child is offered a place at a school:

- a) that child is entitled to a full-time place in the September following their fourth birthday;
- b) the child's parents can defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which it was made; and

Appendix B

- c) where the parents wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age.

The School Admissions Code also makes it clear that parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to Reception rather than Year 1.

Where parents of Summer Born Children wish to request that their child is admitted out of their normal age group – to Reception rather than Year 1 – the following process applies to schools where Warwickshire County Council is the admission authority.

As required by the School Admissions Code, Warwickshire County Council provides for the admission of all children in the September following their fourth birthday. Some parents may feel their child is not ready to start school at this point. The School Admissions Code allows parents to request the date their child is admitted to school is deferred until later in the school year, but not beyond the point at which they reach compulsory school age (paragraph 2.16b) of the Code). Children can also attend part-time until later in the school year, but not beyond the point at which they reach compulsory school age (paragraph 2.16c).

In addition, for summer born children (those born between 01 April – 31 August) paragraph 2.17 of the School Admissions Code states that parents may seek a place for their child outside of their normal age group and may request that their child is admitted to Reception rather than year 1.

Parents of summer born children should follow the process below if they would like to request that their child is educated outside of their normal age group, and is admitted to Reception a year later than when they first became eligible to start school.

1. Requests should be made before 01 December of the year before the child turns 4. This will provide time for requests to be processed, and where a request is not agreed, for the family to have adequate time to make an application before the closing date of 16 January.
2. Parents should submit to Warwickshire County Council their reasons for wishing to defer applying for a school place. This should include confirmation of agreement to the proposal from the Headteacher of their preferred school(s). Parents may also wish to submit other information in support of their request; for example from professionals who have worked with their child. On receiving the supporting evidence, and on the recommendation of the Headteacher(s), Warwickshire's Admissions Service will write to the parent to agree that the application can be processed for the following year. However, the letter will highlight the potential risks / impact of this deferral which include:
 - Whilst one school has agreed to the deferral, there is no guarantee that the child will be allocated a place at that school;
 - Should it not be possible to allocate a place at the school that has agreed to the deferral, the local authority will make every effort to allocate a Reception place,

Appendix B

rather than a Year 1 place. However, it may not be possible to do this. Decisions on which year group a child is admitted to are taken by a school's admission authority; this is not always the local authority and the admission authority of alternative schools may not be in agreement with deferred entry.

- Parents will also be made aware that deferring entry will have an impact on their child's score should they sit the 11+ test. This is due to the age standardisation process.
 - Attention will also be drawn to the fact that when the child moves to a different schools (eg primary to secondary, or due to a different school due to a house move) that the admission authority of the new school will be responsible for deciding which year group the child will be placed in. This could result in a child being required to 'skip' a year.
3. If the request is not agreed, the parent will receive a letter detailing the reasons why.
 4. A copy of the letter sent to the parent will be sent to the Headteacher(s) of the school(s) concerned.
 5. The parent may still change their mind regarding deferred entry by a whole school year, and submit an application in the normal way. If an application is received then the parent's previous request to defer until the following year would no longer apply. This will offer the following options to the parent:
 - a) Their child starts school in the September following their fourth birthday.
 - b) They can consider deferring the child's start date in Reception until later in the school year.
 - c) They can discuss part-time arrangements with the allocated school, as detailed in paragraph 2.16 of the Admissions Code.
 6. A parent who chooses to defer entry by a whole school year will need to apply for a school place in the admissions round for the following year in the normal way. Their application will then be considered in exactly the same way as all others submitted during that application year.

If a parent who has applied by the closing date of 16 January later changes their mind and wishes to defer their child's entry to Reception, they should discuss this and other options with the Headteacher of the allocated school. Requests to defer will not be agreed if the only reason is that a place has not been offered at one of the preferred schools.

Applications for other children to be taught out of year group

In some situations parents applying for a school place may wish to request that their child is admitted to a school outside of their normal year group – for example if they are moving from overseas and their child has not been educated in the English school system. For Schools where Warwickshire County Council is the admission authority parents should in the first instance contact Warwickshire's Admissions Service. The request will be discussed with the Headteacher(s) of the preferred schools with all

Appendix B

relevant information taken into account. Each request will be looked at on an individual basis with any decision taken on the basis of what is considered to be in the child's best interests.

Warwickshire County Council
Oversubscription Criteria for Secondary Schools

In the event that a Warwickshire Community school is oversubscribed, then the following oversubscription criteria will be used when allocating places.

1. Children in the care of, or provided with accommodation by, a local authority and children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order);
2. Children living in the priority area who will have a sibling at the school at the time of admission;
3. Other pupils living in the priority area;
4. Children living outside the priority area who will have a sibling at the school at the time of admission;
5. Other children living outside the priority area.

Please note that:

- a) Children with a Statement of Special Educational Needs or an Education and Health Care (EHC) Plan that names a school will be admitted first. In this event the number of places that remain for allocation will be reduced.
- b) Time of admission relates to the time the applicant would start at the school – not the time of application or offer.

The following terms / definitions apply to the oversubscription criteria for Warwickshire Community Schools.

Priority Areas

Each community and voluntary controlled school has an area identified as its priority area (other local authorities refer to catchment areas). A small number of schools share priority areas; these are known as shared priority areas. Full details of priority areas are available on the Warwickshire County Council website and can be viewed using interactive maps:

Secondary School Priority Area Maps -
<http://www.warwickshire.gov.uk/mapsecondaryschools>

Secondary School Priority Area Descriptions –
<http://www.warwickshire.gov.uk/wp-content/uploads/2013/02/SecondarySchoolPriorityAreaDetails1.pdf>

Priority within each oversubscription criterion

For applicants allocated the same criterion priority is given in order of distance between the child's home and school (shortest distance = highest priority).

Distance will be calculated by straight line measurement from the address point location coordinate of the applicant's home address (as set by Ordnance Survey) to the centre

Appendix B

point ('centroid') of the school in question. (The centroid is a predetermined point set by Warwickshire County Council and all distances are subject to changes which may occur with updates of mapping data).

Sibling, i.e. brother or sister, attending the school at the time of admission

Sibling is defined as; a brother or sister, a half brother or sister, an adopted brother or sister, a step-brother or sister, or the child of the parents' partner, where the child for whom the school place is sought is living in the same family unit and at the same address as that sibling.

Definition of Home Address

Where the child normally resides / sleeps when they attend school. Addresses involved in child-minding arrangements, whether with professional child-minders, friends or relatives, are excluded.

Where a school place is allocated on the basis of an address which is subsequently found to be different from the child's home address that place can be withdrawn. This includes situations where the address used to allocate a place changes prior to the place being taken up.

There is also an expectation that the child and applicant will be resident at the address used to allocate a place from the start of term.

Short-term house moves purely to secure a school place may be considered fraudulent or intentionally misleading and in such circumstances the place may be withdrawn.

Postal Address File (PAF)

The address point location coordinate of the applicant's home address as set by Ordnance Survey.

Applications made from the same multiple dwelling sharing a single Postal Address File (PAF) / Other applications where the distance from home to school is identical

Where required, individual priority for such applicants within a particular criterion will be set by random allocation (lottery). The draw will be carried out by two officers of the Admissions Service in the presence of a local authority Solicitor. The order of draw will be recorded and countersigned at the time.

Applications for children to be taught out of year group

In some situations parents applying for a school place may wish to request that their child is admitted to a school outside of their normal year group – for example if they are moving from overseas and their child has not been educated in the English school system. For Schools where Warwickshire County Council is the admission authority parents should in the first instance contact Warwickshire's Admissions Service. The request will be discussed with the Headteacher(s) of the preferred schools with all relevant information taken into account. Each request will be looked at on an individual basis with any decision taken on the basis of what is considered to be in the child's best interests.
