### Reasons for Decisions

Where objections have been received to advertised traffic orders it is necessary for the Portfolio Holder to decide on it.

### Background Information

Proposals for waiting restrictions, both new and revised, along with disabled parking bays, at various locations in Rugby Borough were published in the Rugby Observer on the 15th June 2017 and consultation carried out in accordance with statutory procedure. Objections and comments to the following proposals were received.

- Addison Road                      No Waiting at any Time
- Consul Road                        No Waiting at any Time
- Kinman Way                        No Waiting at any Time
- Round Street                        No Waiting at any Time
- Slade Road                         No Waiting at any Time
- Bath Street                         Limited Waiting with residents exemptions
- Caldecott Street                    Limited Waiting with residents exemptions
- Clifton Road                        Partial footway parking/Limited Waiting with residents exemptions
- King Edward Road                Disabled Badge Holders Only

A number of other proposals were included in the advertisements but received no objections it was therefore recommended that those proposals be implemented as advertised.

- Abbey Street                        Disabled Badge Holders Only
- Kew Road                            Disabled Badge Holders Only
- Kimberly Road                      Disabled Badge Holders Only
- Manor Road                         Disabled Badge Holders Only
- Sycamore Grove                      Disabled Badge Holders Only
- Wood Street                         Disabled Badge Holders Only
- Grosvenor Road                    Limited Waiting with residents exemptions
- Railway Terrace                    No Waiting at any Time

A residents' parking scheme along Caldecott Street was requested by the local member on behalf of residents. This led to the restrictions detailed in plan TR/10175-13 being proposed. Due to the amount and content of objections and the lack of support for the proposals, the officer recommendation was to withdraw this proposal.

A section of No Waiting at any Time was proposed along a section of Round Street. Due to the amount and content of objections and the lack of support for the proposals, the officer recommendation was to withdraw this proposal.

A residents' parking scheme along Clifton Road was requested by a resident. This led to the restrictions detailed in plan TR/10175-14 being proposed. During the consultation process it was found that the bus service no longer used the bus stop. Therefore the officers' recommendation was to modify the proposals.
