### Background Information

#### 1. Hermes Close

Hermes Close is an access road leading to industrial units on Heathcote Industrial Estate. Leeson Polyurethanes Ltd moved to a larger unit on the same road and as part of the planning conditions were required to implement a Traffic Regulation Order for double yellow lines.

#### 2. Regent Street – Proposed Disabled Persons Parking Place

Regent Street is a main road through the centre of Leamington Spa. There is a Limited Waiting bay adjacent to two shops and a residential property which can accommodate three vehicles. The residential property has requested a 'Disabled Persons Parking Place' and is a current blue badge holder.

#### 3. Clarendon Street – Proposed Disabled Persons Parking Bay

Clarendon Street is a main road through the centre of Leamington Spa. It is part of a

residents parking zone. Outside the property in question there is a Limited Waiting/Residents Parking bay. The property is also in close proximity to some traffic signals. The residents at 47a have requested a 'Disabled Persons Parking Bay' and are current blue badge holders.

Objections were submitted to the three proposals above. As a consequence it has not been possible to authorise them using powers delegated to officers.
