### Decision Taken

That the Portfolio Holder for Transport and Environment agrees that "The Warwickshire County Council (Avon Valley Bowls Club New Access B4100 Wade Lane Lighthorne) (Prohibition of Right-turn movement) Order 2018" be made as advertised subject to the Bowls Club entering into a section 278 Highways Act 1980 agreement with the Council to monitor the use of the turn for a 12 month period during the maintenance period set out in the agreement and thereafter for the Bowls Club to provide for physical measures to support the no right-turn if deemed necessary by the County Council.

### Reasons for Decisions

Traffic Orders that have attracted objections require the approval of the Portfolio Holder

### Background Information

B4100 Wade Lane is the main road which runs by Lighthorne village. Wade Lane primarily provides a direct access to residential properties and surrounding developments (JLR, Aston Martin and British Motor Museum).

The Avon Valley Bowls club new access is situated between the Aston Martin roundabout and JLR roundabout. Due to heavy B4100 traffic, desire to avoid delays for B4100 traffic, physical site constraints and safety concerns a junction with prohibited right-turns was proposed.

The Road Traffic Regulation Act 1984 enables the Council to make orders prohibiting drivers from making this right-turn movement.

### Financial Implications

This scheme will be fully funded by Avon Valley Bowls Club.
