

Decision Record – The Warwickshire County Council (District of Warwick) (Civil Enforcement Area and Special Parking Area) (Waiting Restrictions, On Street Parking Places and Residents' Parking) (Consolidation) (Variation No. 3) Order 2019

Cabinet Portfolio Holder taking the decision	Councillor Jeff Clarke Transport & Planning
Date of Decision (not before 14 June 2019)	18/06/2019

Decision Taken

That the Portfolio Holder for Transport and Planning approves that the Warwickshire County Council (District Of Warwick) (Civil Enforcement Area and Special Parking Area) (Waiting Restrictions, On Street Parking Places and Residents' Parking) (Consolidation) (Variation No. 3) Order 2019

With the exception of proposals relating to:

Budbrooke Road and Wilmhurst Road, No Waiting at any Time – It is recommended to withdraw these proposals due to the large numbers of objections that have specific concerns about parked cars being concentrated further into Wilmhurst Road and the potential dangers that are associated with this.

Forfield Place, Disabled Badge Holders Only – It is recommended to withdraw this proposal as it has been confirmed that this disabled bay is no longer required.

Valley Road and Mason Avenue, No Waiting at any Time – Due to an error in the consultation of this scheme it is recommended to withdraw this proposal and re-advertise in the next Warwick district variation.

Reasons for Decisions

When objections have been received to a road traffic order the approval of the Portfolio Holder is required.

Background Information

Proposals for waiting restrictions, both new and revised at various locations in Warwick District were published in the Leamington Courier on the 17th January 2019 and consultation carried out in accordance with statutory procedure.

One scheme attracted objections whilst it was decided not to proceed with two others. These are:

Budbrooke Road and Wilmhurst Road, Warwick – No Waiting at any Time

Wilmhurst Road is a residential road which shares a junction with the entrance to an industrial estate. A request was received to restrict dangerous parking in connection with the industrial estate. To facilitate this, double yellow lines were proposed at the junction of Budbrooke Road and Wilmhurst Road. Objections were received to this proposal.

Forefield Place, Leamington Spa – Disabled Badge Holders Only

A disabled badge holders' only bay was requested for 10 Forefield Place. To expedite the installation of the bay, an informal bay was consulted upon and installed with the intention of formalising the bay in this current variation.

Prior to the consultation being advertised the Council received a report that the requested disabled bay was no longer required as the occupant was moving away. This was checked during the consultation period by sending out a letter to the address asking for confirmation from the occupant that the bay was still needed. No response was received. Whilst it is acknowledged that the bay was not for the specified property, with Forefield Place being primarily residential, it is more beneficial for the road as a whole for the space to be part of the residential parking scheme.

Valley Road and Mason Avenue, No Waiting at any Time

No waiting at any time proposals were proposed on the roundabout junction of Valley Road and Mason Road. The proposals for the Valley Road roundabout junction were advertised in accordance with the statutory procedure however, due to an administration error, letters informing the residents/businesses were never sent out.

Financial Implications

All work will be carried out within the existing 2019/20 budget allocations.

Report Author	Ben Davenport/Kirsty Sharp
