Reasons for Decision

The Portfolio Holders for CYP&F and CWG agreed on 30th April to the establishment of a shadow governing body for Quinton Primary School to work alongside the Interim Executive Board (IEB) for a minimum of six months prior to the date on which the IEB was expected to be disbanded.

Following the conclusion of this period of joint working, the IEB was disbanded at the end of December 2010 and the shadow governing body assumed full responsibility as if it were a normally constituted governing body.

Within thirteen months of the shadow governing body assuming full responsibility the LA is required to establish a normally constituted governing body to replace the shadow governing body.
