

Decision Record – Capital Refurbishment at Kenilworth Children’s Centre

Cabinet Portfolio Holder taking the decision	Cllr Alan Cockburn Deputy Leader
Date of Decision	27 October 2014

Decision Taken

The Deputy Leader gives approval to add the following proposed scheme to the 2014/15 capital programme at a total estimated cost of £19,250 (£17,479 plus professional fees at 9.7%)

Reasons for Decisions

Kenilworth Children’s Centre currently shares its fire exit route with that of Kenilworth Nursery School. It has been identified by Health and Safety and Fire officers that the volume of traffic via one single exit gate is excessive.

Background Information

Work is required to make the necessary adaptations to the entrance and exit arrangements to meet Health and Safety and Fire Office requirements. A new separate gate is to be installed which would become the general egress route, providing a dedicated entrance and exit for the children’s centre. Ramped access is proposed for disabled evacuation as the existing gate will no longer be available. Agreement was required to payment for this urgent work from revenue, the total estimated cost of which is £19250. The Deputy Leader is asked to approve it as an addition to the Capital Programme.

Financial Implications

Cost of £19250
