

12 March 2013

Police and Crime Plan 2013-2017

At its last meeting I presented to the Panel my draft Police and Crime Plan 2013-2017 on which I invited comment.

The draft plan has been published on my website and has been distributed widely.

A copy of the draft Plan is given at Appendix A for ease of reference. It has been slightly amended but has not been revised in response to the outcome of the consultation exercise. The submissions received in response to the consultation are summarised in Appendix B to this report.

At their last meeting I agreed to provide more details of the budget which underpins the Plan. This is appended to the Draft Plan.

I would welcome comments on the plan or the submissions received as part of the consultation.

In the light of the discussion and further discussions with the Chief Constable and my counterpart in West Mercia I intend to revise the plan and to publish it by 31st March 2013 in line with the prescribed timetable.

Ron Ball

Police and Crime Commissioner
