

## Warwickshire County Council Equality Impact Assessment (EIA) Form

The purpose of an EIA is to ensure WCC is as inclusive as possible, both as a service deliverer and as an employer. It also demonstrates our compliance with Public Sector Equality Duty (PSED).

This document is a planning tool, designed to help you improve programmes of work by considering the implications for different groups of people. A guidance document is available [here](#).

Please note that, once approved, this document will be made public, unless you have indicated that it contains sensitive information. Please ensure that the form is clear and easy to understand. If you would like any support or advice on completing this document, please contact the Equality, Diversity and Inclusion (EDI) team on 01926 412370 or [equalities@warwickshire.gov.uk](mailto:equalities@warwickshire.gov.uk)

## 1. Please explain the background to your proposed activity and the reasons for it.

SQW (an external company) was commissioned by the Council to undertake research into the potential impact of the pandemic on the local economy. SQW's report (August 2020) gave an indication of the scale of the economic harm to the county and was considered by Cabinet on 8<sup>th</sup> October 2020.

As a response, the Warwickshire Recovery & Investment Fund (WRIF) Business Case was developed and considered options to establish a WRIF or 'do nothing' (which included investing through alternative Council initiatives or letting the market fill the gap), each of which were assessed against the following criteria:

- Ability to deliver Strategic Objectives of WCC;
- Ability to support the post-COVID economic recovery of Warwickshire in a targeted way;
- Ability to support businesses, social enterprises and create jobs; and
- Ability to generate financial returns that as a minimum cover cost and provide a return commensurate with the risk taken by the Council

WRIF was considered as a means to help the council achieve the following of its policy objectives and outcomes:

- 'Warwickshire's economy is vibrant and supported by the right jobs, training, skills and infrastructure' (Council Plan);
- 'Support business and grow the economy: Build confidence in local businesses. Re-purpose town centres and create the conditions for business innovation and investment to drive economic growth'. (Recovery Plan);
- 'Stimulate job creation and skills: Work with our partners in the Local Enterprise Partnership and higher and further education, to invest in getting people back into employment, or starting their careers, supporting skills, training and re-learning' (Recovery Plan);
- 'Invest in regeneration and a sustainable future: Invest in the regeneration of local areas, support housing growth, a fit for the future digital infrastructure and sustainable transport' (Recovery Plan);
- 'Make sustainability and tackling climate change central to our recovery so that we lay the foundations for a sustainable long-term future' (Recovery Plan); and

- 'Our ambition is for strong economic growth, with seven strategic priorities and particular focus given to four sectors: automotive technology, advanced manufacturing, digital creative/video game development, and tourism' (Economic Growth Strategy).

## 2. Please outline your proposed activity including a summary of the main actions.

The first two milestones before the WRIF could proceed were:

- Cabinet decision in Feb 2021 on whether to move to the next steps of WRIF setup, as per the proposed Business Case
- Cabinet and Council decisions in, respectively, June and July to adopt the draft WRIF Business Plan and proceed with setup

Activity after the second Cabinet decision will include:

- Setup of Council / WRIF governance arrangements
- Recruitment and procurement activity
- Miscellaneous other activities to allow the WRIF to become fully operational

## 3. Who is this going to impact and how? (customers, service users, public and staff)

It is good practice to seek the views of your stakeholders and for these to influence your proposed activity. Please list anything you have already found out. If you still need to talk to stakeholders, include this as an 'action' at the end of your EIA. **Note that in some cases, there is a duty to consult, see [more](#).**

Using the two milestones identified in section 2, above, the following initial assessment of impact is made:

### **Agreement by Cabinet to proceed with WRIF setup based on Business Case**

The decision to proceed with setup in accordance with the preferred option in the business case will not in itself produce any impact on customers, service users, the public or staff.

### **Agreement by Cabinet of the proposed WRIF Business Plan**

The WRIF Business Plan submission to Cabinet on 17/6/21 will include further detail on how the WRIF would operate and the actions required to make it operational. Any recruitment activity will be subject to Warwickshire County Council recruitment policies and practices, which will reduce the likelihood of any aspect of that activity resulting in a negative impact on equalities. Any allocation of funding and subsequent alteration of financial policies and strategies arising from any acceptance of recommendations by Cabinet should not in themselves create any equalities impacts.

**4. Please analyse the potential impact of your proposed activity against the protected characteristics.**

**N.B** Think about what actions you might take to mitigate / remove the negative impacts and maximize on the positive ones. This will form part of your action plan at question 7.

	<b>What information do you have? What information do you still need to get?</b>	<b>Positive impacts</b>	<b>Negative impacts</b>

There is no impact on other vulnerable groups arising from Cabinet decision making in June.	N/a	N/a
---	-----	-----

**6. How does / could your proposed activity fulfil the three aims of PSED, giving due regard to:**

- the elimination of discrimination, harassment and victimisation
- creating equality of opportunity between those who share a protected characteristic and those who do not
- fostering good relationships between those who share a protected characteristic and those who do not

Cabinet decision making in June is neutral in respect of the three aims

## 7. Actions – what do you need to do next?

Consider:

- Who else do you need to talk to? Do you need to engage or consult?
- How you will ensure your activity is clearly communicated
- Whether you could mitigate any negative impacts for protected groups
- Whether you could do more to fulfil the aims of PSED
- Anything else you can think of!
