

# Adult Social Care and Health Overview and Scrutiny Committee 30 June 2021

## Work Programme

### 1. Recommendation(s)

- 1.1 That the Committee considers and approves its work programme.

### 2. Work Programme

Each overview and scrutiny committee sets a work programme of areas for consideration. Following the County Council Elections on 6 May and subsequent Annual Council meeting, a draft work programme was discussed by the committee's Chair, Vice Chair and representatives of other political groups (spokespeople) on 7 June. The outcome from that discussion is attached at Appendix A to this report.

The committee is asked to consider and comment on the proposed work programme. A copy of the work programme will be submitted to each meeting for members to review and update, suggesting new topics and reprioritising the programme.

### 3. Forward Plan of the Cabinet

The Cabinet and Portfolio Holder decisions relevant to the remit of this Committee are provided for the committee to consider as potential areas for pre-decision scrutiny. Members are encouraged to seek updates on decisions too. The responsible Portfolio Holder has been invited to the meeting to answer questions from the Committee.
