

Children and Young People Overview and Scrutiny Committee 24 September 2019

Work Programme

Recommendation

That the Committee reviews its work programme for 2019/20 (as appended)

1.0 Background

1.1 This Committee's remit is:

'To review and/or scrutinise the provision of public services in Warwickshire relating to education and skills, services for children and young people including schools, 16-19 years education, pre-school children, child protection, family support and social care, children with specific needs and the youth service.'

2.0 Role of the Committee

2.1 The Council's Constitution sets out the overall purpose of overview and scrutiny which is to 'assist the council to achieve its corporate aims and objectives and deliver positive outcomes for local people.' The general powers of Overview and Scrutiny Committees (Part 2 Section 8) in summary are to:

- (i) Assist the Council and Cabinet in the development of policy;
- (ii) Review/scrutinise decisions already made
- (iii) Make reports/recommendations (usually to the Cabinet)
- (iv) Question Cabinet Portfolio Holders about issues within the Committee's remit.

3.0 Format of the agendas

3.1 The Committee has agreed that each meeting should focus on one or two items in detail as a way of ensuring effective scrutiny. This has meant reducing the number of annual and progress reports but the information will continue to be circulated as briefing or information items.

3.2 The use of briefing notes, circulated outside of the meeting, has provided a way of answering specific questions raised at meetings and updating members on progress in key areas. Members can also use the information to form a view on whether there are any areas they consider warrant detailed scrutiny and that should be included as an item in the Committee's work programme.

3.3 Circulated ahead of this meeting was a briefing note on the Children and Families Ofsted Inspection Action Plan.

4.0 Current Work Programme

4.1 The work programme has been updated following discussion between the Chair and Group Spokespersons, to include the requests from the Chair for two briefings from the Assistant Director for Education Services on the increases in numbers of SEND pupils across the spectrum and background on the WCC SEND policy and strategies.

4.2 The Committee is invited to consider the attached programme and to suggest items they would like considered for inclusion in the work programme from November onwards.
