1. Executive Summary

- 1.1 Following an extensive period of stakeholder engagement and further development of the strategy, Coventry and Warwickshire's Living Well with Dementia Strategy ("the Dementia Strategy") will go through the necessary formal approval processes at both Coventry City Council and Warwickshire County Council in June 2022. Subject to formal approval the Dementia Strategy will be published and shared as set out in paragraph 5 below.
- 1.2 The associated strategic delivery plan will include a range of actions to be undertaken across Coventry and Warwickshire as well as actions for Warwickshire (and Coventry) specifically where needed. - 2.3 Please note some of Warwickshire County Council's commissioned services for dementia are funded through the Better Care Fund.

3. Environmental Implications

- 3.1 None.

4. Supporting Information

- 4.1 A presentation will be given to Health and Wellbeing Board outlining the process for developing the year one delivery plan and inviting comments and suggestions to support development and delivery of the plan for 2022-2023.
