Example - Inability to finalise and sign off an admission agreement with a new employer resulting in escalation.	Material impact requiring bespoke corrective action, but manageable within the existing Investment Strategy Examples - Significant drift or step change in actual in asset allocation taking the Fund risk profile out of tolerances, or significant slippage in the implementation of a significant Fund transfer	Material impact on administration performance, but manageable within approved policies and procedures. 5	Catastrophic	Serious and systematic errors in benefits payments or administration KPIs, or significant volatility or increase in employer contributions. Significant breaches of the law Serious complaints and reputational harm caused Example - Systematic failure to monitor employer contributions resulting in subsequent identification of a large number of contribution deficits that employers cannot then catch up with.
