

## Adult Social Care and Health Overview and Scrutiny Committee Work Programme 2023/24

Date of meeting	Item	Report detail
14 February 2024	Care Quality Commission Assurance and Responsibilities under the Care Act.	The Committee will receive a presentation to update on these areas.
14 February 2024	Development of the Adult Social Care Strategy	The Committee will give early consideration to the development of the Adult Social Care Strategy.
14 February 2024	Futures and State of Warwickshire	It is proposed to report to all four Overview & Scrutiny Committees in February to share information and to help inform future OSC work programmes.
14 February 2024	Quarter 3 Integrated Performance Report	For the Committee to consider and comment on the Quarter 3 Integrated Performance Report (period covering April - December 2023).
17 April 2024	New NHS Bladder Service	The Coventry and Warwickshire Integrated Care Board will provide an update on the mobilisation of the revised bladder service.
17 April 2024	Menopause Services Task and Finish Review	For the Committee to consider the report and recommendations from the Menopause Services Task and Finish Review.
17 April 2024	Joint Coventry & Warwickshire Health Protection Strategy	The Health & Care Act (2012) brought Public Health related statutory functions to Local Government, including an assurance function around "Health Protection". The joint Coventry & Warwickshire Health Protection Strategy will review the data and evidence available around health protection needs across Coventry & Warwickshire, consider where Coventry & Warwickshire fall below national targets and make appropriate recommendations to mitigate. The strategy is a joint piece across Coventry & Warwickshire, involving a wide range of partners.

19 June 2024	Year End Integrated Performance Report 2023/24	For the Committee to consider and comment on the Year End Integrated Performance Report 2023/24.
Date TBC	Review of Learning from the Covid Pandemic	This will be a joint meeting with the Children and Young People OSC. The scope is to be finalised at the Chair and spokesperson meeting but concerns the learning which could be drawn from the pandemic to assist with responding to any future pandemic. It could also provide a focus on required activity now to respond to differences seen over the last two years.
Date TBC	Annual Health Checks	Added to the work programme at the Chair and spokesperson meeting in March. This item concerns GPs undertaking an annual health check for patients with a long-term mental illness.
Date TBC	Direct Payments	Added to the work programme at the Chair and spokesperson meeting in October. A low proportion of older service users are opting to receive a direct payment. There are a number of contributors, and many are opting for domiciliary care instead. The item could include promotion of the service and career potential, national and focussed recruitment efforts. Also, the challenges in securing care at a reasonable price, and making it easier for people to use the direct payment option.
Date TBC	People aged over 65 supported in a residential or nursing care placement	Added to the work programme at the Chair and spokesperson meeting in October. A challenged area with an increasing trajectory of service need based on population health with an associated budgetary impact.
Date TBC	Stroke Services	Added to the work programme at the Chair and spokesperson meeting in October. Generally, the revised pathway seems to be going well. Areas of focus to include ambulance response times, whether all suspected stroke patients are taken direct to the hyperacute stroke unit at University Hospitals Coventry and Warwickshire, whether other acute trusts had patients arrive at their A&E departments, and onward care in community settings after hospital discharge.
Date TBC	Patients Presenting at Emergency Departments needing Mental Health support.	Added to the work programme at the Chair and spokesperson meeting in October. This concerns patients (both adults and children) presenting at A&E or the emergency department with mental health problems (and no physical health conditions), the length of wait before transfer to a more appropriate service and the support available.
