<b>Reasons In Agreement with Proposal</b>	<b>% of respondents for proposal</b>	<b>WCC response</b>
<b>The school is struggling with capacity and is too small</b>	22%	Proposal aims to increase capacity
<b>Current building is falling apart</b>	11%	Existing building is maintained to ensure health and safety of pupils
<b>More SEND provision needed in Warwickshire</b>	11%	Proposal includes specialist resourced provision
<b>More specialist provision in Lighthorne Heath is needed</b>	11%	Proposal includes specialist resourced provision
<b>Reasons Against Proposal</b>	<b>% of respondents against proposal</b>	<b>WCC response</b>
<b>There are other local schools with surplus places. The size of the new school will have a detrimental impact on those smaller rural schools.</b>	9%	The expansion of Lighthorne Heath Primary School is needed to meet the significant demand created by 3000 homes at Upper Lighthorne. This demand could not be met by other schools in the wider local area. Parental preference could also potentially increase numbers looking at other schools in the wider local area having a positive impact on numbers rather than a negative one.
