

## Warwickshire County Council (WCC) Equality Impact Assessment (EIA) Form

The purpose of an EIA is to ensure WCC is as inclusive as possible, both as a service deliverer and as an employer. It also demonstrates our compliance with Public Sector Equality Duty (PSED).

This document is a planning tool, designed to help you improve programmes of work by considering the implications for different groups of people. A guidance document is available [here](#).

Please note that, once approved, this document will be made public, unless you have indicated that it contains sensitive information. Please ensure that the form is clear and easy to understand. If you would like any support or advice on completing this document, please contact the Equality, Diversity and Inclusion (EDI) team via [equalities@warwickshire.gov.uk](mailto:equalities@warwickshire.gov.uk), or if it's relating to health inequalities, please contact Public Health via [padmin@warwickshire.gov.uk](mailto:padmin@warwickshire.gov.uk).

- Having identified an EIA is required, ensure that the EIA form is completed before any work is started. This includes gathering evidence and / or engaging the relevant stakeholders to inform your assessment.
- Brief the relevant Assistant Director for sign off and upload the completed form here: [Upload Completed Equality Impact Assessments](#). Please name it “EIA [project] [service area] [year]”
- Undertake further research / engagement to further understand impacts (if identified).
- Undertake engagement and / or consultation to understand if EIA has identified and considered impacts.
- Amend accordingly to engagement / consultation feedback and brief decision makers of any changes.
- Implement proposed activity.
- Monitor impacts and mitigations as evidence of duty of care.

## Section One: Essential Information

<b>Service / policy / strategy / practice / plan being assessed</b>	Additions to the Education Capital Programme
<b>Business Unit / Service Area</b>	Education Services
<b>Is this a new or existing service / policy / strategy / practice / plan?</b>  If existing, please state date of last assessment.	Relocation and expansion of existing provision, establishment of specialist resourced provision, funding to improve accessibility requirements
<b>EIA Authors</b>  <b>N.B.</b> It is best practice to have more than one person complete the EIA to bring different perspectives to the table.	Emma Basden-Smith
<b>Do any other Business Units / Service Areas need to be included?</b>	SENDAR
<b>Does this EIA contain personal and / or sensitive information?</b>	No

**Are any of the outcomes from this assessment likely to result in complaints from existing services users, members of the public and / or employees?**

No

**1. Please explain the background to your proposed activity and the reasons for it.**

The relocation and expansion of existing provision are related to meeting the growth from proposed housing development, ensuring the sustainability of existing provision and improving the education facilities to meet a greater range of pupil needs.

Establishing specialist resourced provision is a key project within the SEND & Inclusion Change Programme and part of the SEND & Inclusion Strategy and DSG Recovery Plan. It allows learners with SEND to attend local settings and provides a bridge between mainstream and specialist provision.

There has been significant growth in both generic and specialist special schools. The main growth and investment has been in specialist provision for pupils with communication and interaction needs and social, emotional and mental health (SEMH) difficulties.

In line with the statutory guidance issued by the Department for Education 'Making Prescribed Alterations to Maintained Schools' any proposals to increase capacity to a school or establish, remove or alter SEN provision (including Resourced Provision) at a mainstream school requires the local authority to undertake a statutory process including a consultation period of at least 4 weeks.

**2. Please outline your proposed activity including a summary of the main actions.**

Warwickshire County Council is proposing to:

- Relocate and Increase the capacity of Lighthorne Heath Primary School and Shottery St Andrews CE Primary School from 210 places to 420 places.
- Establish provision for children with special educational needs in the form of specialist resourced provision for between 8 and 14 primary aged pupils

If approved the additional places would be implemented for between September 2025 and September 2026

- Pupils in the specialist resourced provision will benefit from accessing education at a mainstream primary school through a flexible approach, tailored and adapted to their needs.
- A statutory planning application would need to be submitted to for the new school building on the new school sites.

### 3. Who is this going to impact and how?

Customers	Members of the Public	Employees	Job Applicants
	Local residents		
<b>Other, please specify:</b>	SEND pupils/Families, Schools/existing pupils		

## Section Two: Evidence

Please include any evidence or relevant information that has influenced the decisions contained in this EIA. This could include demographic profiles; audits; research; health needs assessments; national guidance or legislative requirements and how this relates to the protected characteristic groups and additional groups outlined in Section Four.

### **A – Quantitative Evidence**

This is evidence which is numerical and should include the number people who use the service and the number of people from the protected characteristic groups who might be affected by changes to the service.

Lighthorne Heath: Pupil forecasts indicate reception cohorts and growth in other year groups will start to increase above existing capacity from September 2025. To ensure sufficient school places in the village of Lighthorne Heath as the housing development (3000 homes) builds out it is proposed to relocate and increase the capacity of Lighthorne Heath Primary School from 105 to 420 pupils.

Shottery St Andrews CE Primary School: Pupil forecasts indicate housing development in Stratford upon Avon will start to put pressure on school places in the town from September 2026. To ensure sustainability of existing provision, access to high quality sustainable education facilities and sufficient school places are available in Stratford upon Avon town over the next 10 years, it is proposed to relocate and expand the existing Shottery St Andrew CE Primary School from 105 places to 420 places. The relocation to a larger site also allows access to improved educational facilities which the existing school site currently does not have such as dedicated hall/dining space, group/intervention space and a playing field

Warwickshire has experienced increased demand for specialist education provision year on year with the number of children with EHCPs increasing annually by 9% over the past 5 years. This trend for increased demand for specialist education provision is anticipated to continue particularly in areas of housing and population growth. The Council will continue to work in partnership with schools to progress successful establishment and development of further provision.

### **B – Qualitative Evidence**

This is data which describes the effect or impact of a change on a group of people, e.g. some information provided as part of performance reporting.

Establishment of Specialist Resourced Provision (places for pupils with an EHCP): The LA believes that all children should be educated as close to their home as possible, which not only reduces the time they spend travelling, but also enables them to be an integral part of their local community, where they are able to feel welcomed, included and valued as equal members of society. We want to support children, young people and their families by encouraging and challenging schools to cater for as wide a range of needs and abilities as is possible. We want mainstream settings to nurture positive attitudes to children and young people with SEND, both in their own school and in their wider community.

### Section Three: Engagement

Engagement with individuals or organisations affected by the proposed activity must take place. For further advice and support with engagement and consultations, click [here](#).

<p><b>Has the proposed activity been subject to engagement or consultation with those it's going to impact, taking into account their protected characteristics and socio-economic status?</b></p>	<p>A statutory consultation on the relocation, expansion and establishment of the specialist resourced provision at Lighthorne Heath Primary School and Shottery St Andrews CE Primary School from 26<sup>th</sup> February to 22<sup>nd</sup> March 2024</p>
<p><b>If YES, please state who with.</b></p>	<p>Details were published in the local press and on the WCC website. Proposals were sent to the parents and carers of pupils at the school, other schools in the area and democratic representatives for the area. Feedback was collated and evaluated.</p>
<p><b>If NO engagement has been conducted, please state why.</b></p>	

How was the engagement carried out?	Yes / No	What were the results from the engagement? Please list...
<b>Focus Groups</b>		
<b>Surveys</b>	Y	Ask Warwickshire
<b>Public Event</b>		
<b>Displays / Exhibitions</b>		
<b>Other (please specify)</b>	Y	Local paper
<b>Has the proposed activity changed as a result of the engagement?</b>	No	A small number of respondents shared concerns relating to losing the ethos of a small school and building to much capacity into an area too quickly and the impact this can have on existing schools.
<b>Have the results of the engagement been fed back to the consultees?</b>	Following a Cabinet decision	
<b>Is further engagement or consultation recommended or planned?</b>	Yes	If the proposal is approved, there will need to be a planning application to deliver the accommodation required.
<b>What process have you got in place to review and evaluate?</b>	Mainstream and Specialist provision within the county regularly reviewed to ensure meeting the need and demand for places.	

#### Section Four: Assessing the Impact

## Protected Characteristics and other groups that experience greater inequalities

What will the impact of implementing this proposal be on people who share characteristics protected by the Equality Act 2010 or are likely to be affected by the proposed activity? This section also allows you to consider other impacts, e.g. health inequalities such as deprivation, socio-economic status, vulnerable groups such as individuals who suffer socio-economic disadvantage, armed forces, carers, homelessness, people leaving prison, young people leaving care etc.

On the basis of evidence, has the potential impact of the proposed activity been judged to be positive (+), neutral (=), negative (-), or positive and negative (+&-), for each of the protected characteristic groups below and in what way?

**N.B** In our Guidance to EIAs we have provided you with potential questions to ask yourself when considering the impact of your proposed activity. Think about what actions you might take to mitigate / remove the negative impacts and maximize on the positive ones. This will form part of your action plan at Section Six.

	<b>Impact type</b> <b>(+) (=)</b> <b>(-) or</b> <b>(+&amp;-)</b>	<b>Nature of impact including health inequalities</b> Will your proposal have negative or positive implications for each group, including on health inequalities? <b>Think about whether outcomes vary across groups and who benefits the most and least, for example, the outcome for a woman on a low income may be different to the outcome for a woman a high income.</b>	<b>Mitigating Actions for Negative Impacts</b> What can you do to mitigate any identified negative impacts or health inequalities? <b>Think about offering for example benefits advice, access to bus routes, community support, flexible opening times, creche facilities etc.</b> Use this column to form the basis of Section 6.
<b>Age</b>	+	Increasing 'local' specialist provision for SEND learners Increasing mainstream primary provision within the local area	
<b>Disability</b> Consider:	+	Increasing 'local' specialist provision for SEND learners.

Positive  What can you do to mitigate any identified health inequalities? Feeding into the strategy to deliver the best system of education, health and social care for learners with SEND	

		within our allocated resources, including the most vulnerable learners.	
<b>Other Groups</b> If there are any other groups			

**Public Sector Equality Duty (PSED)**

Public Authorities must have 'due regard' to the need to eliminate unlawful discrimination, advance equality of opportunity and foster good relations. Please evidence how your proposed activity meets our obligations under the PSED.

	<b>Evidence of Due Regard</b>
<b>Eliminate unlawful discrimination (harassment, victimisation and other prohibited conduct):</b>	
<b>Advance equality of opportunity:</b> This involves <ul style="list-style-type: none"> <li>removing or minimising disadvantages suffered by people due to their protected characteristics;</li> <li>taking steps to meet the needs of people with certain protected characteristics where these are different from the needs of other people, for example, taking steps to take account of people with disabilities;</li> <li>encouraging people with certain protected characteristics to participate in public life or in other activities where their participation is disproportionately low.</li> </ul>	The proposed change is part of the wider SEND programme to promote inclusion in all mainstream and educational settings Supporting the aspiration for every child and young person to have their health, social care and education needs met within their local community and for every child to attend a good local school that is appropriate for their level of need or disability.

**Foster good relations:**

This means tackling prejudice and promoting understanding between people from different groups and communities.

### Section Five: Partners / Stakeholders

Which sectors are likely to have an interest in or be affected by the proposed activity?	Yes / No	Describe the interest / affect
<b>Businesses</b>		
<b>Councils</b>		
<b>Education Sector</b>	Y	Other schools in the area
<b>Fire and Rescue</b>		
<b>Governance Structures</b>		
<b>NHS</b>	Y	SEND learners may also have additional health needs
<b>Police</b>		
<b>Voluntary and Community Sector</b>	Y	Where involved in the provision of service for SEND children
<b>Other(s): please list and describe the nature of the relationship / impact</b>		

## **Section Six: Action Planning**

If you have identified impacts on protected characteristic groups in Section Four, please summarise these in the table below detailing the actions you are taking to mitigate or support this impact. It is also important to consider how often this E.I.A. will be reviewed, and who is responsible for doing this. If you are not taking any action to support or mitigate the impact, you should complete the No Mitigating Actions section below instead.

### **Mitigating Actions**

Consider:

- Who else do you need to talk to? Do you need to engage or consult?
- How you will ensure your activity is clearly communicated
- Whether you could mitigate any negative impacts or build on positive impacts for protected groups or health inequalities
- Whether you could do more to fulfil the aims of the PSED
- How you will monitor and evaluate the effect of this work
- Anything else you can think of!

Identified Impact	Action(s)	Timescale incl. evaluation and review date	Name of person responsible
Where responses to the consultation have highlighted where further information regarding the proposal needs to be communicated to stakeholders	Pass this feedback on to the school to ensure continued communication to the school/parent community around the development of the proposal.  Ensure LA maintains communication channels with interested stakeholders	May 2024 to September 2025	Emma Basden-Smith/Dale Bromfield

**No Mitigating Actions**

**Please explain why you do not need to take any action to mitigate or support the impact of your proposed activity.**

**Section Seven: Assessment Outcome**

**Only one of following statements best matches your assessment of this proposed activity. Please select one and provide your reasons.**

<b>No major change required</b>	x	No significant negative impact identified
---------------------------------	---	---

<b>The proposal has to be adjusted to reduce impact on protected characteristic groups and/or health inequalities</b>		
<b>Continue with the proposal but it is not possible to remove all the risk to protected characteristic groups and/or health inequalities</b>		
<b>Stop the proposal as it is potentially in breach of equality legislation</b>		

### Section Eight: Sign Off

**N.B** To be completed after the EIA is completed but before the area of work commences.

<b>Name of person/s completing EIA</b>	Emma Basden-Smith
<b>Name and signature of Assistant Director</b>	Jonny Kyriacou
<b>Date</b>	18/04/24
<b>Date of next review and name of person/s responsible</b>
