

1. Resources, Fire & Rescue OSC Progress on the Integrated Delivery Plan Quarter 1

1.1 Key Insights for Quarter 1 2024/25

Of the 61 actions within the Integrated Delivery Plan, 21 are attributable to the Resources, Fire and Rescue OSC. There is positive progress this Quarter with 80% of activities being On Track to achieve their objectives within the set timeframes, 10% are At Risk, with 10% completed.

Projects completed this Quarter

The following have closed following successful delivery;

- **Deliver our Warwickshire Fire & Rescue Service (WFRS) 2-year improvement plan: Implement a new risk-based inspection programme.**

A new Risk Based Inspection Programme is now in place which has led to a significant increase in productivity and has been developed to target premises based on risk. The programme will now be reviewed regularly by the service.

- **Deliver our Warwickshire Fire & Rescue Service (WFRS) 2-year improvement plan: Achieve a positive reinspection outcome from HMICFRS.**

Complete - discharged two causes of concern and halved Areas For Improvement. Still improvements to be made but the most recent inspection was more positive than the previous one.

1.2 Great Council and Partner.

Activity	Status	Narrative
Deliver against the agreed Medium Term Financial Strategy, including achievement of savings, capital delivery, implementing actions based on effective forecasting and financial insight to inform our change programmes.	At Risk	Q1 revenue forecasts for 2024/25 are projecting some significant overspends. In year mitigations are being discussed and will be implemented, and the in year and Medium Term Financial Strategy impacts will be carefully monitored.
Through the new process redesign programme implement identified and approved priority improvements, where benefits and funds to be released have been agreed, delivering £2.1 million cross-council savings using digital and/or service improvement approach.	At Risk	Discovery and opportunity analysis complete. To date no cashable savings have been committed by service areas to the Process and Digital Change Programme. This continues to be investigated with business cases being considered in the coming months.
