24 June 2020	Test, trace, isolate	The Director of Public Health will hold a question and answer session to update members on the national and regional approach to test, trace and isolate.
Future Work Programme		
Date TBC	Primary Care Networks	At the Chair and Spokesperson meeting on 21 January, it was agreed to replace a proposed update on GP Services with an item on Primary Care Networks (PCNs). Linked to this is the item below on pharmacy services. This item was deferred from the 29 April meeting which was cancelled.
Date TBC	Pharmacy Services	<p>At the Committee meeting on 6 March 2019, it was agreed that an item be added to the programme to receive an update on pharmacy services. The key aspects raised previously were:</p> <ul style="list-style-type: none"> <li>• Confusion over the services provided in each pharmacy and where patients should present, e.g. for minor ailments. Pharmacists have different levels of experience and expertise and local signposting is needed.</li> <li>• Through PCNs, it is planned to provide a broader and more integrated range of services including closer collaboration with pharmacy.</li> <li>• There is a healthy living pharmacy programme, supported by the County Council. In Warwickshire, 80% are healthy living pharmacies which deliver health, wellbeing and other services.</li> </ul>
Date TBC	West Midlands Ambulance Service and the Paramedic Service	At the Chair and Spokesperson meeting on 21 January, it was agreed that this item be added to the programme to receive an update from West Midlands Ambulance Service and the paramedic service, their priorities and performance on response times. Linked to the item will be an update on the 111 Service, which is also provided by WMAS. The original scope for this aspect was how they refer people to health services; how they link in with the relevant CCG; how they know where services are

		commissioned; also what they do about patients with no transport who are referred to an out of hours Service for example in the early hours of the morning.
Date TBC	Merger of the Coventry and Warwickshire Clinical Commissioning Groups (CCGs)	Notification has been received from the three CCGs serving Coventry and Warwickshire of the approval of member practices to merge into a single CCG. The three CCGs will work together to start the process of applying to NHS England and Improvement to become a single organisation. There is an offer of continued engagement with stakeholders including the committee. This item was deferred from the 29 April meeting which was cancelled.
Date TBC	Alternate Provider Medical Services Contracts	A motion was debated at Council on the retendering of Alternate Provider Medical Services (AMPS) contracts. It was agreed that this matter be brought back to the committee for further consideration and was originally intended to bring an item to the February 2020 meeting. WN and C&R CCGs are undertaking the procurement process and details are awaited on the full position will be known on the APMS contracts. On that basis the Chair has agreed to defer the matter pending the outcome of the procurement exercise.
Date TBC	George Eliot Hospital (GEH) - Care Quality Commission (CQC) Inspection	GEH had an unannounced visit from the CQC in December 2019. Members asked in both the January and February committees when it would be able to discuss the CQC report and associated action plan. It was confirmed that the CQC had given notice of certain 'must do' and 'should do' actions. The CQC report has been published and contact was made with GEH with a view to the item being considered at the cancelled April Committee.
Date TBC	Coventry and Warwickshire Strategic Five-Year Health and Care Plan	The Joint Coventry and Warwickshire Health OSC received a presentation from Sir Chris Ham on 14 October 2019 ahead of the deadline for submission of the draft Coventry and Warwickshire Strategic Five-Year Health and Care Plan to NHSE&I. It would be useful to programme a date for this item to come to the ASC&H OSC.
	Out of Hospital Programme.	Suggested by Councillor Parsons at the Chair/Spokes meeting on 21 June 2018.
	Mental Health and Wellbeing George Eliot Hospital (GEH) - Care Quality Commission (CQC) Inspection	This item was added to the work programme in June 2018, with the item scheduled for the November Committee. Further discussion at the Chair and Party spokesperson meeting on 29 October, when the item was deferred. A revised date and scope for this review area needs to be agreed.
	Better Health, Better Care, Better Value (BHBCBV) – Proactive and Preventative Workstream	Suggested by Councillor Margaret Bell. The Proactive and Preventative work stream of the STP. The suggestion is to find out more: What is happening; what is the plan; how is it to be funded; when will we see results?
	Review of the Adult Transport Policy	Cabinet approved a revised Adult Transport Policy on 25 January 2018. This has been suggested as an area for the Committee to review after 12 months of implementation.

	Local Commissioning of Services	Suggested by Councillor Mark Cargill. A pilot scheme has been undertaken in Alcester.
	Coventry and Warwickshire Partnership Trust	Suggested by Healthwatch. There has been a re-inspection of the CWPT by the Care Quality Commission. Originally planned for the Trust to present its progress against the action plan to the January 2018 meeting, which was considered to be too soon for the Trust to have implemented actions from the CQC review. Suggestion to have a written update and then programme for a formal report to provide assurance that the 'must do' and 'should do' recommendations are being implemented.
