	Complaints	Update from PCC in light of the new requirements of the Police and Crime Act to come into force in 2019 – implementation has been delayed by central government.	
	Organised Crime	The Panel recognises that Organised Crime requires a partnership approach and asks the PCC to bring a report to the Panel detailing how Warwickshire Police will work with regional partners as well as the National Crime Agency as a stand-alone force. There is also particular public interest in this area given the recent publicity around the harm caused by 'County Lines'.

The Planning and Performance Working Group to work with the OPCC to determine the timing and nature of the report brought to the full panel. <i>This item to be considered as part of Crime Investigation and Prosecution Processes (new Planning & Performance Group Work Plan) and escalated to full Panel at a future date if necessary.</i>	
	Reporting and Performance Management	The Panel asked the Planning and Performance Working Group to work with the OPCC to consider how performance reports are presented and what is reported.
