8. Land at Former Michael Drayton School, Hartshill

Councillor Izzi Seccombe (Leader of Council and Chair of Cabinet) informed members that the Council had been working with the health sector to agree a scheme to be developed on the land in question. That the land for a medical facility will be released at less than market value was highlighted. The rest of the site can be used for modular or extra care housing.

Councillor Les Caborn stated that he and Councillor Margaret Bell had been working on this project for over three years. Councillor Bill Olnier commended the proposal as did Councillors Colin Hayfield and Jeff Clarke.

Resolved

That Cabinet authorises:

- 1) the disposal of the land edged red on the appended plan at less than best consideration on the basis set out in this report on terms and conditions acceptable to the Strategic Director for Resources subject to necessary planning, CCG and NHS England approvals being in place;
- 2) the Strategic Director for Resources to explore appropriate opportunities for the disposal and/or alternative use of the land coloured blue on the published plan.

The meeting rose at 14.28.
