## **CIPFA Financial Management Code – Warwickshire County Council Self- Assessment 2022/23**

### **Recommendations**

That the Audit and Standards Committee:

- 1) Note the progress made on the delivery of the planned improvements in financial management during 2022/23; and
- 2) Consider and comment on the Council's assessment of its compliance with the CIPFA Financial Management Code and the improvements planned for 2023/24.

### **1. Purpose of the Report**

- 1.1. In 2019 CIPFA issued a Financial Management Code (the Code) designed to support good practice in financial management and to assist local authorities in demonstrating their financial sustainability. The Code is a series of financial management standards that set out the professional standards needed if the Council is to meet the minimum standards for financial management acceptable to taxpayers, customers and lenders. CIPFA's judgement is that compliance is obligatory if an Authority is to meet its statutory responsibility for sound financial administration. Beyond that, CIPFA members must comply with it as one of their professional obligations.
- 1.2. The Code requires authorities to demonstrate that the processes they have in place satisfy the principles of good financial management such that compliance with the Code will help strengthen the framework that surrounds financial decision making. The broad headings in the Code are:
  - responsibilities of the Chief Financial Officer and Leadership Team;
  - governance and financial management style;
  - medium to long term financial management;
  - the annual budget;
  - stakeholder engagement and business plans;
  - monitoring financial performance; and
  - external financial reporting.
- 1.3 The extent of compliance with the Code will be one of the factors considered by the external auditors in reaching their judgement on the value for money provided by the Council.

- 1.4 The Council’s first self-assessment was considered by this Committee in June 2021 and the latest reassessment in March 2022. This report provides an update on the progress made on the delivery of the planned improvements during 2022/23 (**Appendix A**) and provides an updated self-assessment to reflect the changes made and the improvements planned for 2023/24 (**Appendix B**).
- 1.5 As in 2021 and 2022 our assessment remains that the Council already meets the standards set out in the Code and therefore any developments are about an on-going process of continuous improvement.
- 1.6 Our assessment against the Financial Management Code is a partner document to the External Auditors Value for Money assessment reported as part of the Annual Audit Letter. The Auditors assessment rated the Council as “green” for financial sustainability and governance and “amber” for improving economy, efficiency and effectiveness. The rating of “amber” was as a result of prior year recommendations in relation to the on-going work implementing the agreed improvements arising from recent inspections, with a positive direction of travel reported. Our self-assessment is consistent with these ratings given the evidence of positive action being taken proactively where opportunities to improve performance are identified.
